Daily TPs' Hoon Dok Words

"Every year 20 million people die of hunger around the world. I am the one who should solve this problem, and as a representative of all humanity, I should also solve the problem of the destruction of the ozone layer caused by environmental pollution. I have to pay attention to all fields of human life..."

Dear Pastors, Community Leaders, Brothers and Sisters,

Thank you for your continued devotion and investment for Heavenly Parent and True Parents! As you know, our True Mother made structural changes to our worldwide movement and many leaders received new missions.

As I came to America as the Regional President of Family Federation North America, Rev. Demian Dunkley, who was President of Family Federation USA, received a new mission to guide our movement in Asia. It is my pleasure to announce that with True Mother's recommendation, the board of directors has appointed Rev. Naokimi Ushiroda as the new president of the Family Federation for a Heavenly USA. Rev. Ushiroda will also serve as the Subregional Director of Subregion 1, the Northeast. This is really True Parents' wisdom and blessing to suggest second generation leadership at this time.
