Dear brothers and sisters,

We often have a lot of regrets for not having lived a faithful life as we approach the end of a year and prepare to enter a new year. This has become a habit or routine which is hard to break.

This year, I hope that we can end this attitude of regret and become a person who can report and celebrate the results of our achievements with our Heavenly Parent and True Parents. To mark this new beginning, I am inviting you to join the "Declaration to Heaven Ceremony" at 11:00 pm on December 31, 2020 at Cheon Hwa Gung.
