Welcome to LVFC HD Newsletter!

***Daily TPs' Hoon Dok Words ***

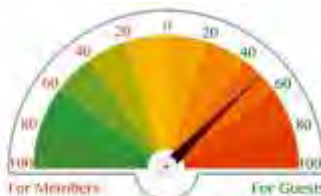

"Only after securing for God the authority of unified ownership can a unified world that is aligned with the standard of God's heart come into existence. Only when we restore the authority of God's ownership can we move forward to a unified world—one world led by the True Parents, in heaven, and on earth. Based on their foundation, the world's authority of ownership must surely be returned to God's authority of ownership..."

Dear Families of Subregion 4,
We hope Heavenly Parent's love and blessings have

Useful Links

[LV Community](#)

been with you and your families as we begin this new year!

Recently, our Subregion was restructured to include the states of Tennessee, Alabama, Mississippi, Louisiana, and Arizona; while Colorado, Utah, and Wyoming have now become part of Subregion 5.

In light of these changes, we feel that it is a great opportunity to invite you all to our SR4 Famicon (Family Conference). Famicon is an opportunity to gather as a Subregion, grow closer together as family, and connect to the vision and goals of our national movement. Breakouts based on ministries will focus on exploring strategies and next steps we can take, on both the subregional and local levels.

Most of all, this will be a precious opportunity to connect with our brothers and sisters as we seek to unite as a subregion that can bring joy to our Heavenly Parent and True Parents.

We hope to see you there!
Please see the registration link above to register!
Thank you and God Bless you!

Rev. John Jackson
Southwest Subregional Director

Dear brothers and sisters,

It has been 33 days since 2021 began. Now, the New Year of Cheon Il Guk is coming. We all started the new year by writing our resolution on New Year's Eve. I believe you have had a good time re-examine the resolutions you have made over the past month. As the New Year of Cheon Il Guk begins, we must turn those resolutions into action and make them part of life in 2021. I hope that Heavenly Parents and True Parents are proud of you becoming citizens of Cheon Il Guk. We have received seven visions and goals from our National Headquarters. This Saturday, we will have Subregion 4 FAMICON. The goal of this convocation is to help us set our sub-regional goals and plans.

On February 13th, following this subregional FAMICON, we will have a local convocation to develop the goals and plans for the Vegas community. I would like to invite all of you to the local FAMICON. Please mark your calendars and stay tuned for more detailed information which will be delivered to you through the following e-news.

Sincerely,
Rev. Ken Doo

Young Adult Retreat on Saturday, Feb. 6th!

It will be a time for us young adults to connect more deeply, and revitalize and refresh for the new year with new insights. Please feel free to bring yourself as well as your friends, all are welcome.

The first session, "Bringing Your Faith into Practice," will feature two topics that will be very relevant to many of our lives: Mental & Spiritual Health During a Pandemic, and The Head Wing Approach to Our Political Divide. Two wonderful elders will be presenting, Debby Gullery and Dr. Robert Beebe.

The second session will dive deeper into "Bringing Your Faith into Focus." How can we find God when the world seems so wrong? We will go into a topic exploration around this question, hear some down-to-earth testimonies from our peers, and have time for discussion.

By the way, it's FREE! With a \$10 suggested donation (all donations will help us run more of these kinds of programs in the near future). We can't wait to see you there.

We are happy to announce that applications for the 2021 Pyeongae Scholarship are officially open!

The Pyeongae Scholarship started when True Mother sold True Parents' helicopter in order to establish a fund that can raise future leaders. It awards US and Canadian students who live a public lifestyle by contributing back to their community (Sunday School, church, youth ministry, CARP, etc), and hopes to enable public-minded leaders for the future!

There are three categories of awards:

- 1) Undergrad students
- 2) Graduate students
- 3) High school students OR graduates who are committed to go to Sun Moon University (starting with one year attending the Korean Language Program)

If you fit into any of these three categories, please check out the scholarship: yayam.familyfed.org/scholarship

Applications due by 11:59pm EST on Friday, February 5th!

Thank you for your interest in applying to serve as an Online Holy Community Leader as part of your local Family Federation organization.

The "Online Holy Community" is a group of up to 43 members, who share a common lifestyle through the teachings of True Parents and Divine Principle. They support the development of CheonBo families through fellowship, education and outreach.
