□ Daily TPs' Hoon Dok Words □

"Please inscribe the importance of lineage in your hearts. I cannot emphasize this enough. Without lineage, neither life nor love can endure. Your tradition will endure only through your lineage. Lineage is the bridge allowing the parents' spirit to carry on through subsequent generations. In other words, lineage is the first and final condition necessary for parents to harvest the fruits of their love, their life, and their joy..."

members joined the zoom service, and afterwards brothers and sisters enjoyed a Korean meal.

An important update is that the worship time will go back to normal. So, starting this week, we will gather at 9:30 am and watch the Providence News iPeaceTV together and have a coffee break for about 10 minutes, then we will start worshipping at 10:00am. After the worship service, the church will provide Pizza for everyone.

Starting from last week, in-person worship services and live streams on the Internet will be provided together. Those who cannot come to church will worship together on Facebook or zoom.

All those attending the service are encouraged to wear masks.

Church Sisters' Group
Gathering Announcement

Hello everyone. This Sunday, May 23rd, Rev. and Mrs. Doo is inviting all church sisters to meet at the chapel at 12 noon after church, to discuss forming a church sisters' group. The purpose of this group is to support our church activities and community members. (The elderly who are living alone, those who are sick, new moms before and after delivery, new members, and those who just moved to Las Vegas.) This group's activities will be supported by funds through membership fees and small fundraisers.

Please join us and help choose a group name and appropriate membership fee. See you on Sunday!

LV Holy Community Fellowship

Because of the CARP workshop, the meeting will be **canceled this Friday**. I'll see you in the Sanctuary next week.

Inviting your family and friends for June 5 has been made easier with the new resource page on peacestartswithme.com, where you can find flyers in multiple languages, the video link, and more.

In addition, the FFWPU-USA HQ team developed a call script to help everyone outreach to members, friends and guests, and even new contacts:

To help further, here is a sample email that you can use with the flyer when sending it out:
