

## FFWPU USA Subregions 3 and 5 Matching Supporter Training

Dear Leaders, Pastors, BFM Reps, Matching Supporters and those interested in becoming Matching Supporters,

Subregions 3 and 5 will be hosting an online Matching Supporter Training workshop. Matching Supporters are volunteers who feel called to guide and educate individuals and families in the matching process. Through training and ongoing education, they understand the guidelines for matching guidelines, and are very familiar with the best practices and tools available. Matching Supporters play a key role in supporting candidates and their families during this important process of extending the Marriage Blessing to members of Unification Church communities and those affiliated with us through ACLC and other outreach organizations.

Many pastors and current Matching Supporters have expressed the need for more matching supporters within our local communities. If you know of someone who would be a great fit for this role, please encourage them to register and participate in our workshop next Saturday. If you feel called to become a Matching Supporter, we encourage you to attend. This training is open to those interested in all subregions.

Please note that all registrants will require a pastor's notice of recommendation and approval to pursue that Matching Supporter Training course. Please send the link [tinyurl.com/79xmf6xy](http://tinyurl.com/79xmf6xy) to your pastor. Ask him/her to download the form, fill out and send a scanned copy to [matching@unification.org](mailto:matching@unification.org). This can be done with a smartphone.
