

Las Vegas Family Church: Zen Curry Cup Smash Brothers Tournament

Last Sunday (9/12) we had our Zen Curry Cup at my house with around 17 youth and young adults playing Super Smash Bros and board games.

We had two of my co-workers from Zen Curry attend and one of them brought along a friend. It was a big success and everyone had a great time.

For next month's Zen Curry Cup I would like to use the Cheon Hwa Gung to host the tournament on 10/3 after service.

Ideally I would like to start registration and setting up around 12 pm and start the actual tournament around 1 pm. I am planning on having board games as well to invite other CARP kids and young adults who don't have interest in competing.
