From Heidi Iseda: Here's a photo of us visiting sister Adela Maimot (Middle) after her knee surgery. Mimi Morse on the right.

Yesterday Kinesha (whose name I got in the Sunday Service) and I (Mary) had a wonderful visit with our dear sister Beatrice (Aunt Bea) together and made our meeting a threesome.

From Rev. Doo:

On Thursday afternoon, the Holmes family and us had a picnic at Cheonhwagung. From the beautiful Autumn weather and the beautiful lawn of Cheonhwagung, we learned a lot about the Holmes Couple. The motive of the Holmes couple coming to Las Vegas from Los Angeles was that they had the hope of raising their children in the familial community. Michael is a young man who has been actively involved in public activities in the LA community, and Sarah was also a Sunday school teacher who had been doing hard work teaching young 2nd and 3rd generations in Sunday School. It's currently the pandemic right now, so they spend a lot of time at home, but when things get better, they want to help the Las Vegas community, especially through Sunday School. Michael is currently responsible for the Las Vegas community's newsletter. I pray that God's blessings will always be with the Michael and Sarah Holmes family!
