Las Vegas Family Federation for a Heavenly Community

Newsletter Issue No. 988

Welcome to LVFC HD Newsletter!

□ Daily TPs' Hoon Dok Words □

"World peace is the original ideal of God; therefore, religious leaders and believers need to be the guides who lead people to peace. If religions only emphasize narrow-minded denominationalism and fail to teach true love for God and the universe, we will never free humankind from the horrors of war. In the face of this global crisis, religious leaders have to practice true love, humbly following God's Will, walking hand in hand beyond the perimeters of their own religion..."

Growing Covid Concerns

Due to the growing Covid concerns we would like to express our thoughts on this matter. IPEC and our Sunday Service as per Gov. Sisolak and the CDC have deemed that masks are required on inside meetings. Where possible it is good to social distance your self and keep hands clean by using provided hand cleaner. We will continue to enforce and keep safe our Sunday Service.

Before and after the service masks are not always in place because of eating and drinking and you should determine and take responsibility for you and your family to do what is best. We also understand that if you feel uncomfortable to participate in these gatherings please join through the [Zoom Online Service](#).
