

Taiwan's Pure Water Workshop and Discussion with Missionary Moon Shin-chul

Ken Doo
July 30, 2026

During the Heavenly Taiwan Pure Water Special Workshop, held from July 17 to 30, a discussion session with Missionary Moon Shin-chul took place on July 27.

Through a question-and-answer session with the participants, Missionary Moon encouraged them to connect more deeply with True Parents' hearts and hopes.

Participants reflected anew on the vision of Heaven's providence and resolved to become leaders of filial devotion who put True Parents' will into practice.
