We have completed the 3rd Cheon Il Guk Holy Song Competition. We received 88 songs from 13 nations in a variety of styles and languages. The four-member panel of judges actually came to a strong consensus as to what were the best songs. We thank all of those who submitted their songs.

There will be other Holy Song Competitions in the future including a Holy Song contest in the months prior to the 2020 celebration of True Parents Birthday. We look forward to receiving more songs from our members at that time.

For the 3rd Cheon Il Guk Holy Song Competition the eleven winning entries are as follows:

1st Prize

Ronald Futila (Congo): Hyo Jeong's Heart
