Going Strong

Following a successful [Club Fair season](#) and a second month into the semester, CARP chapters around the country are going strong in all their activities, connecting students to principles and lifestyles that create successful, giving, and effective leaders.

This past month, **CARP at UC Berkeley** got officially registered (*pictured*)! CARP UCB officially joins CARP Chabot and CARP Cal State East Bay as part of the CARP Bay Area Hub.

Special shout out to outstanding students, Junta Naito, Kouki Tamura, and Reimi Mizuguchi, for making it happen!

As we enter into the Giving Season, we thank all of those who invest so much into CARP and make it possible for our students to excel.
