#GIVINGTUESDAY2020

We're excited to join Mother Moon for her next [Rally of Hope this Saturday, November 21, 7:30 PM EST](#) talking peace on the world scale. ([Register here.](#)) Every semester, our students dedicate time and energy sharing Mother Moon's vision for peace and family culture through weekly meetings, retreats, and activities.

They are an invaluable part of CARP's mission to raise student leaders to be peace loving global citizens. This **Giving Tuesday (December 1)**, we're inviting you to support these students in sharing peace on campuses.

Stay tuned for more student excellence and join the movement below.

Help Students **BE THE LIGHT**
that Shines on Campus...

School today is not what it used to be. Students experience pressure on all sides: academics, peers, family, society, etc. It's easy to get lost in the crowd, to

not stand for the principles that matter. *But principles, like "Live for the Sake of Others," DO matter.* It matters that we think beyond our own self-interests. For students like **Marcus**, it's made all the difference in his growth, health, and outlook on life. **Help more students like Marcus experience hope, freedom, and clarity.**

Your donation sponsors CARP chapter support to empower students to BE THE LIGHT, in an often "gray," relativistic world. Your donations provide tools and trainings to students to articulate their principles in life so they can make a positive impact any place they go: at school, at home, with their families, at work, etc. Your investment in young people is an investment in the future.

Help students to **BE THE LIGHT** on college campuses - where ideas and principles are seeds that develop throughout life.

Make a difference to students like Marcus by donating today.

We cannot receive donations from residents of Florida or District of Columbia due to charitable solicitation registration requirements. We apologize for any inconvenience.
