**#GI**  **INGTUESDAY™**

## **Today's the Day!**

Thanks to your contributions each year, we are able to provide our students and chapters the resources and support to be successful.

Despite the pandemic, this year, we had five chapters become registered on campus and three new CARP houses open. We also created three new CARP Curriculum presentations for students and chapters to share about CARP's values.

All donations collected through the end of the year will go to more projects and programs that support students directly. For those who have already made a contribution, thank you! You are the reason our students thrive.

Help us make 2021 even more amazing.

# Empower Students to Lead on Campus

Help Students **THRIVE** on Campus...

Students are navigating in uncertain and divisive times. They are trying to grow where there is confusion and misunderstanding on all sides. But, in CARP and the communities created in CARP chapters, they find the clarity they need. **Mia**, a CARP leader, found her voice and the passion to lead through CARP and the principles we stand for, like *“Live for the Sake of Others.”*

Your donation sponsors CARP chapter support to empower students to **BE BOLD**, in an often "gray," relativistic world. Your donations provide tools and trainings to help students to articulate their principles in life, like Mia did, so they can make a positive impact any place they go: at school, at home, with their families, at work, etc. Your investment in young people is an investment in the future.

Help students become principled leaders on college campuses. Make a difference to students by donating today.
