January 2021

We're Back!

It's 2021 and our chapters and chapter leaders are ready to go! On January 16 to 17, we gathered all of our current and prospective CARP chapter leaders for the 2021 Momentum Conference to set goals and visions for this new year.

And they're ready:

They've already begun serving this month!

On Martin Luther King Jr Day, CARP Bay Area and CARP New Jersey began participating in 40 Days of Service starting with a video tribute to Dr. King and what he stands for: love through service. Check out their video here. [Read more about CARP Bay Area Service here](#) and [about CARP New Jersey Service here](#).

For a lot of our chapters, winter break was an opportunity to dig deep into CARP's core principles and connect

more
deeply with
their
chapters.
