

FFWPU USA YAYAM and CARP survey for 16 to 26 years old, in college or college-bound

Katherine Anglin and Jinil Fleischman
November 29, 2021

If you're 16 to 26 years old, in college or college-bound, we'd love to hear from you.

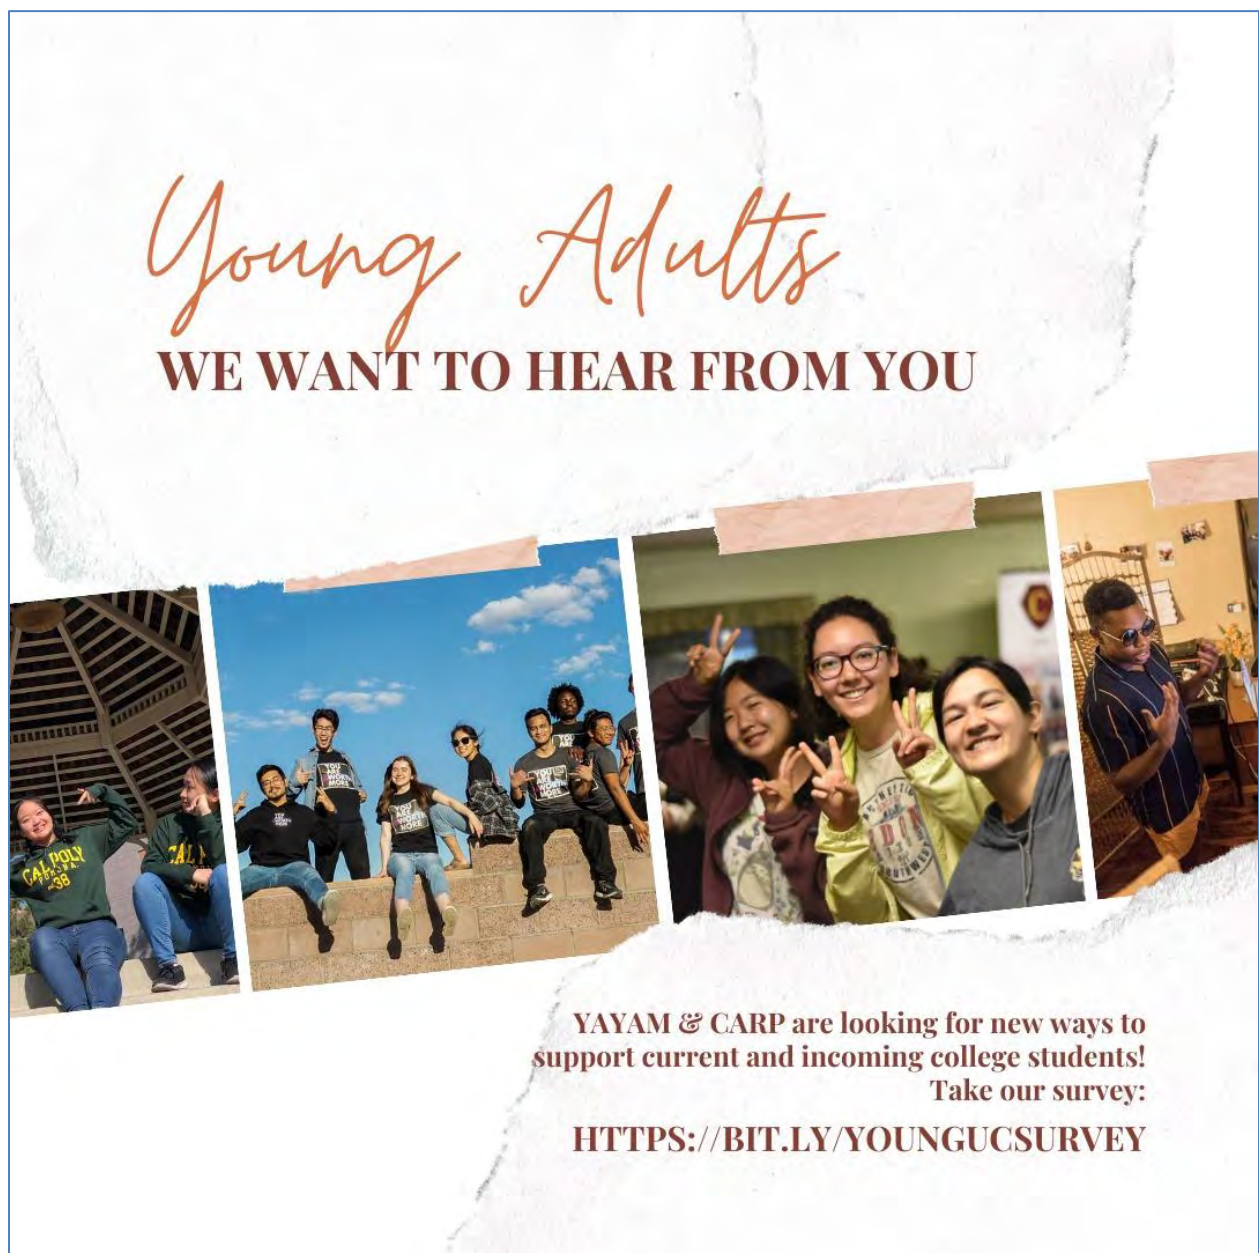

YAYAM and CARP want to develop new types of support for Unificationists who are in college; recognizing that many of you may be away from friends, family and a church community while in school.

College is an exciting time as you mature towards becoming the person you hope to be, professionally as well as personally. It can also be a confusing and challenging time!

The purpose of this survey is to learn what you would find helpful, including peer-to-peer networking and support from mentors. Please give us your honest input! NO judgment! We will not be using the data for any purpose other than figuring out how to meet your needs (no recruiting for any church activity!).

This survey should only take 5-10 minutes max. We appreciate your input! Here's the link:
