

## Senegal's big Moslem holiday, Tabaski, the sacrifice of the lamb

*Tabaski in Senegal*

Right now there's a big Moslem holiday, Tabaski, the sacrifice of the lamb.

It is like Abraham's sacrifice.

Everything will be closed for a few days.

I have been invited to spend the day with the family of one new friend, which will be very interesting.

Lately I've been having more and more opportunities to experience African life and culture.

I really love it!
