European Parents Matching Convocation

David Hanna

October 8, 2014

Dear Blessed families,

In less than ten days we will be holding a European Parents Matching Convocation, 17-19 October. We are using again a very suitable youth hostel in Gravenwiesbach, close to Frankfurt, Germany.

There are still up to 20 more spaces available, so we have extended the registration deadline until 11 October. We hold European PMC twice a year, therefore please do give this some consideration and please make use of this opportunity if it fits your current circumstances.

Attached you will find the official invitation letter which has all the details.

Best regards

David Hanna

Please ensure this letter gets passed on to all Blessed Families

Dear Blessed Families,

We would like to invite all Blessed Parents who have children of matching age or younger to our upcoming European Parents Matching Convocation. **Parents of Blessed children** and **parents of Jacob children** are welcome to attend. In addition, Second Generation and Jacob children matching candidates who are twenty-five years old or older are also invited to participate. You will receive a great deal of useful information as well as valuable internal guidance; this will be helpful whether you are preparing to match your children in the future or are already in the process of doing so.

The European Parents Matching Convocation will take place at:
The Youth Hostel in Grävenwiesbach (near Frankfurt), Germany
From Friday, 17 October to Sunday, 19 October 2014.

The purpose of the convocation is to support parents in their role of matching their children. True Parents have given this responsibility to the parents, and it is our task as Blessed Families to fulfil the expectation of our True Parents and to establish a right tradition. For this we need to make our full effort and work together well, supporting each other in facing the different challenges, guiding our 2nd Generation well through the matching process and setting the right foundation for their future Blessing.

The Convocation will include plenty of education and guidance on issues relating to the matching and Blessing, including the "Treasures of Heaven" ministry for blessed children with special needs. There will be time set aside to meet and share with other Blessed Families, an aspect that people find so valuable.

At the Convocation there is also a unique opportunity to display photographs and information about your child if he/she a matching candidate and to see the pictures and personal details about other matching candidates from around all over Europe and even from other parts of the world. This may directly help the process of finding a suitable partner for your child.

It is recommended to register early. There are 100 spaces available. Places will be given on first-come, first-served basis.

Please consider whether you would like to display your child's profile (or your own profile if you are a candidate) at the convocation. If you would like to do so, please inform us by email at pmc@esgd.org (deadline: **10 October 2014**). Note that we will only display profiles of candidates who have explicitly expressed their wish to have them displayed. Your profile will not be displayed by us unless you specifically inform us that you would like us to do so.

To ensure that your profile is displayed you have several options:

1. If your candidate is already registered on the International Matching website www.bcmatching.org make sure the profile is updated and inform us of your desire to display his/her profile. We can then print your profile from the website and display it. (If you are not registered, you can use this opportunity to register your candidate on the website. This not only allows you to use the website, but also means that you only have to update your profile and it can be displayed at any future convocation, in Europe or elsewhere, just by letting us know.)
2. If you submitted a Blessing Application, we can also use copies of your Blessing Application (Pictures, Application form and Family Introduction form to display the profile.
3. If neither of the above applies, you can still hand in your own materials: pictures, letters, information for display. Contact information and basic data (name, date of birth, etc.) should be included.

Furthermore, it is particularly helpful if the candidate can fill out the attached questionnaire below and send it to us.

Please send **all information** to us at least one week before the date of the event (deadline: **10 October 2014**), so that we have time to collate and prepare copies.
