Destiny and Busabala Schools

Busabala School

Jesca, the headmistress of Destiny School, has had great success with the Girl Child Project. This involves handing out menstrual pads and providing education on hygiene and self-respect. As such, she has expanded to a local school in Busabala. Additionally, Jesca has improved the teaching standards through teacher training.

Since she began this support last year, the school dropout rate, especially for girls, has reduced tremendously. Likewise, the number of girls attending school has overtaken that of boys.

Successes!

With IRFF UK's support, both schools have seen a huge decrease in cases of sickness and disease. Plus, there has been a steady decline in teenage pregnancy and an increase in self-esteem and self-awareness thanks to Jesca's Girl Child Project.

Results of the Final Primary Leaving examinations have drastically improved compared to previous years. The majority of Destiny students have succeeded in getting into Secondary school, with 2 receiving a full bursary and 3 receiving half bursaries (Grace Christian Secondary School) due to outstanding academic performances!

Finally, the first Destiny school student to receive a bachelor's degree!

Menstruation Should Not Be An Obstacle In Life

As a charity for Africa, IRFF UK holds a strong promise to help underprivileged African girls facing challenges, especially period poverty, which makes it hard for them to go to school. We are dedicated to breaking down these barriers by making sure these girls have what they need for their periods. By doing this, we empower these young minds, giving them the chance to stay in school, learn, and break free from the cycle of poverty.

What Our Donors Are Saying

Your efforts in the areas of education, health and sustainability are vital in certain countries and truly appreciated. My family will continue to sponsor a child at Destiny Junior School in Uganda, and will endeavour to support other causes that IRFF UK informs us about.

Dolores Read
Destiny School Sponsor

I have been happy to support projects that IRFF is running in Uganda. In particular, I have donated funds towards the building of a perimeter wall and a library at Destiny School. I really appreciate the good work IRFF has been doing over the years to help people/children in Africa.
