

Colorado Family Church's First Ever Membership Class This Sunday

Michael Hentrich
January 4, 2019

Dear community,

This Sunday, we will be doing our first ever (at least for us) membership class. This is an exciting and interactive presentation that we have been working on for the past few months as a defining way for present and future guests to become committed members of our church family and have a clear pathway to spiritual maturity.

This class addresses many questions, such as "What is the purpose of the church?", "Why do I need to be a part of a church family?", "What does it mean to be a member of this church?" and much more.

We are excited to welcome anyone that wants to attend, whether you are interesting in becoming a member or have been one for a long time. If you are new to our community, you will need to have attended the "Who Are We?" presentation and gone through the basic overview of the Divine Principle before attending this presentation. We will do it again in the near future if you are not able to attend this one.

Sincerely,

Pastor Mike
