July 20, 2020

Dear family,

As we announced this past Sunday, we will not be having Sunday Service for the next two Sundays, July 26 and August 2. This coming weekend, many of us will be at our annual family camp, and our energy and manpower will be focused on that. The following Sunday, August 2nd, we will be hosting our own Peace Road event, where we will be travelling to and praying at three different sites around Colorado:

The Martin Luther King Jr. Statue at City Park

Camp Amache Japanese Internment Camp

Sand Creek Native American Massacre Site

We will be sending out a separate email this week with further details about the Peace Road event. More information about Peace Road can be found at the video below.
