Dear family,

As many of you know, during this time of extra precautions related to COVID-19, church lunches have mostly consisted of purchased Chapchae individually packaged for take out with the occasional home cooked meals. We are so grateful for our cooks and volunteers for making this possible. However, this was always a temporary measure. It was a lot of work for our volunteers and also not financially sustainable.

Therefore we will now be switching to a varied lunch which will be served buffet style, similar to our Pre-Covid setup. Every week we will have a different offering. The first week of the month will be Potluck Sunday. The second and fifth weeks will be a meal cooked by one of our families or individuals (or could be a cooperative effort), the 3rd week will be chapchae as before, the 4th week will be salad and bagels as we have done in the past. If you feel called to cook a meal for our community, or work together with other families to cook a meal, its a wonderful experience and opportunity to serve our church family. Please consider it and use the sign up button to pick a slot. The church will reimburse your costs up to \$100 (Please save your receipts.) Thank you.

Lunch Cooking & Cleanup

Thank you so much for cooking for our community. Please look for a spot below that works for your schedule and reserve it. The church will reimburse your costs up to \$100 (Please save your receipts.) Please be aware that you are signing up for both cooking and cleaning. If you are only able to cook, please try to find someone that can help with the cleaning or write us at info@coloradofamilychurch.org, and we will try to pair you with someone.
