

Colorado Family Church: Update and Fundraiser for Heartland Academy 2021

Dear families,

Below is a letter from Adonia and Gabriella, introducing more information on next year's Heartland Academy, and appealing for funds to help make it a success.

Hello all! We hope you were able to see the intro to Heartland Academy that we presented at church last Sunday.

If you have been following our journey, you know that last year we created a "remote-learning co-op" that provided an enthusiastic, stable learning environment for about 30 children during the pandemic, and it was a huge success! We actually felt that sending our kids back to their schools would be a step backwards. So when we discovered Acton Academy, we decided to take a big step forward!

We are sincerely asking for financial help to get our school off the ground this fall. We don't actually need that much considering the fact that we are starting a school! But it's still more than we can do on our own.

We want to be clear that is not a "church school." However it will be a school that embodies Godly and spiritual values that we believe will impact innumerable lives, and hopefully give other communities the inspiration to do something similar in the future!

Please take a look at our GoFundMe, take a little time to enjoy the videos and learn about Acton, and then donate if you feel called to!

Other ways we could use your help are:

- If you have clean, lovingly used Montessori materials you no longer need, we would love to receive them! [Here is a list](#) of things we need for our Sparks studio (Pre-k)
- If you have clean, lovingly used and complete board games with no pieces missing that you no longer need, we would love to receive them!
- If you are interested in volunteering in some capacity, especially on Fridays, please let us know!

Thank you so so much for your time and consideration!

Sincerely,

Adonia Hentrich and Gabriella Kirkley

Hello,

We just wanted to update everyone about the fundraiser for Heartland Academy. We've just passed the \$3500.00 threshold thanks to you and your warm heart :)

This is a new experience for all of us who are behind this project and are very thankful for every last cent offered.

If you are inspired by this project, please feel free to share it with others who might be interested in being a part of this educational revolution.
