Dear family,

We had a very hot month of July this year, and with it came a welcome rest and recuperation from the busy summer of workshops and events. David added some new lighting and a ventilation fan. Thank you David for your nonstop investment into our church home.

This month, we had many practical messages and a special guest speaker, Rev. Richard Buessing, who shared on the topic of, "[Growth Through Relationships](#)". If you missed any of them, you can find them all on our [Facebook page](#) and [Youtube channel](#). For quick reference, this month's recordings are below.
