

## Colorado Family Church: Rev. Ken Doo shares about the future of the movement

Dear family,

This Sunday, we are continuing our Community Vision series. Pastor Mike will share a message on our next vision point, which has to do with the importance of God-centered families. For reference the next point is:

We are building God-centered marriages and families that are the dwelling place of God and the cornerstone of a healthy society.

Pastor Adonia's message last Sunday was on Creating a Culture that Prioritizes the family. If we are all about family, and God is all about family, then how can we show that and substantialize it in our families and church?

Rev. and Mrs. Doo are also visiting our community right now. Rev. Doo is the current Vice President of the national church and the local pastor for the Las Vegas Family Church. After service, Rev. Doo will take time to share with us about the time we are at providentially and the future of the movement. He has a lot of wisdom and passion and experiences to share and we hope that as many people as possible can attend his sharing in the cafe.

Sincerely,

Pastors Mike and Adonia
