

Colorado Family Church: Our inauguration the Chinese People's Federation for World Peace

Michael Hentrich
November 13, 2021

Dear family,

This Sunday, we are continuing our Community Vision series. Pastor Mike will share the next message on the culture of sharing, which is based on the 5th point in our community vision.

We are sharing, with the people of the Denver area, truth that has been hidden in the Bible until now: God's original purpose of creation, how humanity fell away from God, and our path to returning to God's ideal and dream.

Last week, Pastor Adonia shared a message on the Culture of Sharing love and truth. If something is valuable to us, then we naturally share it. When we share something valuable to us, we gain life from it. You can find the recording and offering song below.

See you tomorrow!

Sincerely,

Pastors Mike and Adonia
