Council of Communities Meeting and Ratification of New National Leadership

- written by Chris Le Bas

The Council of Communities met in High Leigh Conference Centre, Hoddesdon, from January 17th to 19th for a weekend that showed the winds of change that have begun to blow through our movement for this long-awaited year of 2020. We began with welcoming our EUME regional chair couple, whose position in the UK national leadership was about to be ratified; a 2nd "UK Providence Meeting" was organised to occupy a central position in the middle of the weekend; and we finished with a wide range of "homework" tasks in preparation for a year promising huge new hopes and expectations.

On the Friday evening, in front of a panel combining members of both the National Council and the Council of Communities, a new arrangement was agreed on for our EUME regional chair couple, Dr Michael and Fumiko Balcomb, to assume, in addition, the role as UK National Leader couple. In this arrangement, they have committed to spend at least half of their time for the UK, while Matthew and Natasha Huish step into a role of deputy leadership in a full-time capacity. This is recognised as an unusual

arrangement but one which we agreed will undoubtedly be of great benefit to our mission in the UK (for a full description of these roles for 2020, see the [attached file](#)). Mike is keen to submit himself to a review in front of the Board of Trustees within a year, while Matthew's position will be reviewed by Mike himself, with a reflection on the details, including financial arrangements, to be brought to the next CoC. All-in-all, the discussions that led to these arrangements were frank and personal, giving answers to many concerns, and inspiring confidence in the new leadership team and hope for many good results in the years ahead. Detailed minutes will be published soon and sent to all CoC representatives.

After the uplifting worship, testimonies and keynote talk by Mike Balcomb in the UK Providence meeting, the CoC got down to discussions on Saturday afternoon, reflecting on the opportunities and challenges facing each community and the initiating plans and ideas for moving towards the aspirational goals set up for the year.

We concluded with business matters, such as how to keep the National Prayer points up-to-date and relevant; how the new FFWPU website is developing and the possibilities of a new media production (reports from Josh McGuigan); congratulations and thanks to Robert and Oksana Torok for their 3-year dedication to Scotland as pastor couple; comments on the National Council report; a communities financial management proposal; and plans for the next meetings of the CoC.

However, we left with a feeling that it will be anything but "business as usual".

2020 BCLC Seminar - June Darby

"Our seminar was focused on preparing the Pastors going to the World Summit in Korea next month, so there were four Pastors altogether. Pastor Carlo Zaccarelli gave a wonderful, inspiring lecture on The Principles of Creation and Rev. Isaac Ayani gave an impassioned explanation of The Fall. One Pastor couldn't be with us, so we greeted him by phone and sang for him. Rev. Isaac encouraged the Pastors to study Divine Principle carefully and spoke movingly about the Parents of Mankind. Our members supported generously and there was an uplifting, tangible presence of the Holy Spirit. We concluded with a powerful unison prayer.

"Please put our seminar dates in your diary: 15th February, 14th March, 18th April, 9th May and 13th June.

"And please pray for those Pastors going to Korea for the Summit 2020."

With the beginning of a new year, we would like to start some new initiatives to support the on-going youth activities in our region (HARP, CARP, YSP, etc.). While there are excellent gap-year programmes and international workshops available in our region, we would like to start more on-going projects that **strengthen the youth work on national and community levels** by empowering the young people who are in a position of responsibility in our movement.

We would like to introduce the following initiatives:

> **Holding a Monthly Zoom Call for Youth Leaders**

The call will include prayer, short HDH reading, internal

guidance and sharing in pairs or smaller groups. Through this call, youth leaders can receive valuable guidance and encouragement, and also get the opportunity to connect to each other.

We will hold the first call on **Friday 24th January at 7pm GMT**. All youth leaders are welcome to join through this [LINK](#).

> **Starting a Mentorship Programme for Youth Leaders**

We are in the process of gathering enthusiastic, elder 2nd generation who have experience with running HARP or CARP to mentor current youth leaders one-on-one.

If you are interested in acting as a mentor or have someone whom you would like to recommend, please contact:
wjdgp7@gmail.com

> **Holding a 2nd Generation Educators Meeting**

These workshops are a great platform for giving inspiration & care, sharing best practices and discussing increased cooperation across communities and nations. After further discussion with the parties to be involved in this, we will send out more detailed information.

We hope to cooperate with as many brothers and sisters as possible on these projects to strengthen the foundation for the future by investing in the young generation. If you have a heart for supporting the younger generation and would like to work together, please get in touch!

Guidance on Special Grace Bestowed Through CheonBo Registration

12th January 2020 | Written by Comms@FFWPU

[Leave a comment](#)

Last month, we were asked to [register our Heavenly Tribal Messiah work](#) in anticipation of the upcoming events in Korea to commemorate True Father's Centenary and True Parent's 60th Holy Wedding Anniversary.

All Cheonbo candidate families, as well as blessed families preparing to become Cheonbos, are now being asked to participate in the [Cheon Il Guk Hyojeong Festival](#) next month. True Parents plan to bestow a special grace that will forgive all sins that have been committed consciously and unconsciously by blessed families and members, thereby enabling all to register as Cheonbos. It will be a special occasion through which all participating families will be able to cleanse themselves from disloyalty, lack of filial piety and faith, and become newly reborn through the Holy Wine Ceremony.

We appreciate that this information is not very easy to understand, so if you have any questions or concerns, please feel free to get in touch with your local BFD leaders or your [regional BFD representative](#), who are well informed about the procedure and will be able to help you.

North Region BFD Representative: Jane Toresen –

Providential Background

- > Commemoration of True Parents' Centenary and 60th Holy Wedding Anniversary
- > Accomplishment of True Mother's Vision 2020 goal and dedication of this victory to Heavenly Parent and True Father
- > Victory for the firm establishment of Cheon Il Guk through the seven-year course since True Mother proclaimed Cheon Il Guk Foundation Day in 2013
- > All blessed couples should complete their Heavenly Tribal Messiah mission and become registered as Cheonbo couples in the era of the firm establishment of Cheon Il Guk
- > Cheonbo candidate couples will be cleansed of all sins as they prepare to become registered as Cheonbos. Other couples will also be able to make their determination to become Cheonbo couples, as well as carry out the necessary preparations

Meaning of the Special Grace

- > The special grace bequeathed by the True Parents of Heaven, Earth and Humankind cleanses Cheon Il Guk citizens from any violation of heavenly laws they have

consciously or unconsciously committed in front of Heavenly Parent related to matters of ethics, faith and the heart, such as a negligent life of faith, drinking, smoking, apostasy, heresy, problems related to lineage, infringements of the heart, etc.

> True Parents' special grace does not absolve from indemnities stemming from violating a nation's positive laws or from harm or hurt caused to others. Such indemnities must be set and fulfilled by each person.

> Please refer to the above link entitled "**Scope of the Special Grace in the Era of the Firm Establishment of Cheon Il Guk**" for additional details.

Standard for Receiving the Special Grace

> This Special Grace is given through participating in the **Cheonbo Holy Wine Ceremony on 6th February** and through **True Parents' Blessing Prayer at the Blessing Ceremony on 7th February**.

> Those who have been involved in lineage problems (unprincipled sexual behavior) but wish to receive the Blessing this time in February must consult with the pastor of their church and confess through writing and submitting the "**Statement of Resolve to Start Anew in the Era of the Firm Establishment of Cheon Il Guk**" (see link above). Then, after participating in the Holy Wine Ceremony on 6th February and receiving True Parents' Blessing Prayer on 7th February, their Blessing will be recognised and established.

> For 1st generation or 2nd generation members who married outside the church, to be restored as blessed families, they must first fulfill all requirements for this year's special grace, and report having done so to their National HQ Blessed Family Department.
