### WFWP: Public Speaking Training Seminar

Last Saturday on 11th July, Women's Federation Bromley chapter, together with Mitty Tohma, organised a very successful Public Speaking Training seminar. It was delivered by David Rennie, who is a brilliant and experienced Public Speaking Trainer, amongst other high qualifications. David is a long-term WFWP UK supporter and honorary member (yes, brothers can join too), and his wife Christa is serving as WFWP UK Secretary General.

The seminar was attended by 12 participants and had two parts. One was dedicated to David's "I Can Speak In Public" presentation, where he gave a detailed explanation of the importance of having a clear plan, the right attitude, and how to know and use the proper techniques to be able to communicate effectively one's core ideas to the audience.

The second part was the training itself, in which each participant gave a short speech on the topic "Ladies, please join me in peace building!" after 10 minutes of preparation. David gave each trainee individual support and advice for improvement. We all really felt a lot of spiritual energy through his talks; he went above and beyond just presenting a public speaking seminar. He's a real "peace maker"! It was a privilege to be there.

#### Feedback from participants:

*"Thank you for inviting me to today's meeting I really enjoyed it . I learnt so much I really did. A big thank to you all. Another meeting would be great and will bennefit many people."*

*"Amazing seminar, fantastic people, learnt a lot. Let's do more.."*

*"Yes, I would be interested in a continuation of this public speech series 😊"*

The Public Speaking Training seminar is part of an educational programme - Young Women's Speech Contest - organised every year by Women's Federation UK. At the moment, Bromley chapter is preparing 3 young ladies to take part in the local Bromley Speech Contest that will take place online on the 24th July. The main topic for this year is: "The Unique Role of Women in Peace Building".

### **WFWP: Please Support the Jordan Project**

We would like to invite you to look at the [WFWP proposal PowerPoint from Jordan](#) and the short letter from Fusayo Irikura (see below), who is the only WFWP member volunteer working in Jordan for more than 20 years. This is our main humanitarian project connected to women and children's education in the Middle East.

True Parents have a big concern for this region, which is a cradle of monotheistic religions and yet a place of devastating inter-religious conflicts that have resulted in numerous disadvantaged people being forced to look for a helping hand in refugee camps. [Women's Federation volunteers in Jordan](#) are providing all possible resources to help families and children to maintain a decent living, and to improve their lives through ongoing education and services. This vital work is carried out only thanks to the generous people like our members and the public, who are not indifferent to human suffering.

In current circumstances we are unable to have any fundraising events, but are working on developing ways of supporting our volunteers in the Women's Federation Jordan education centre. Please consider sending any donation to support this important cause.

Thank you very much!

#### **Letter from Fusayo Irikura:**

*Dear WFWP UK,*

*I hope my email finds you all in good health.*

*Kindly find attached proposal for children. It is a proposal, but also please look at it as a report. Recently our fund situation is a tie, because I am not able to receive enough funds from WFWP Japan.*

*If you know anyone who might be interested in helping our project, kindly please let me know.*

*Thank you so much!*

*Sincerely,  
Fusayo*

Please send your donations with the reference JORDAN by bank transfer to WFWP at RBS.
