Hi,

Wow, there's a lot going on!

Just a few days ago, we completed a very fascinating 24-hour *Global High Noon Summit!* We had over 26,000 people tune into the live stream from across the globe. You can check out the [playback recordings here](#).

There were many people that ended up watching the ENTIRE program for 24 hours!

Also, did you watch this week's National Family Service? It was awesome! [Check it out here](#).

This week, we have our final *Realms of True Love: Connect Groups* on the topic of Grandparent's Love on Thursday at 9:00 PM (EST). This should be a good one! [Join us here](#).

Now for some stellar resources for your home!

What Exactly is the Matching Process?

The Matching Process is an intentional, family-driven engagement process. The process was developed by the BFM over decades of research and implementation, which we've now broken down into three stages...
