Dear leaders around the world,

Warm greetings to all!

We would like to announce our online Parents Matching Convocation for 2nd generation candidate, aged 19 and above, on the 29th and 30th of August.

The program focuses mainly on the Online Presentations of profiles of 2nd generation candidate by parents. Education lectures will not be given. It should be understood that all parents and Matching Supporters have already undergone education on the Matching and Blessing process and guidance on what they expect to happen during the convocation.

We ask that all parents and Matching Supporters (MS) prepare their candidates' profiles for presentation according to the format provided (see attached files). Please note that only PPT slides 1 and 2 will be presented during the presentations. Only parents and MS who register in this link: <https://bit.ly/convocacaopais> will be able to present profiles during the convocation.

Parents and MS, please send your PPTs to the BFD leaders or to this email: bfdlatinamericastaff@gmail.com. The deadline for submitting profiles is August 20, 2020. Please respect the deadline for sending PPTs so that we can all organize ourselves in the best way.

We strongly suggest that all candidates fill out their profiles on the Blessing4U.org website prior to the Online PMC, so that interested parents and MS can learn more about the candidates on the matching website.

In addition, all candidates must be qualified for online presentations; therefore, do your best to guide candidates to complete their documents and requirements (including contagious disease health tests, Blessing Preparation Seminar and 3-day fast or 9-day breakfast fast. And, if there is any special situation of a candidate regarding this matter, please report to your local BFD.

Until August 28, we will send the link to BFD and MS to participate in the PMC. The candidate will have a code number (to be done by the organizing committee) located at the upper left corner of the candidate's profile in presentation format in the order of the presentation of the candidates.

Parents or MS will have a maximum of 1 minute and 30 seconds to introduce each candidate. The MC will control the PPT presentation; therefore, respect the time period set for the presentation.

If you are interested in any of the candidates that were presented, make a note of the candidate's code number. Upon request, we will send the profile to you, including the 3rd slide of the PPT, which contains more confidential information.

For more information, contact your BFD representatives or send an email to:
bfdlatinamericastaff@gmail.com.

Note: The attached files contain the following: Blank form for the candidate to fill in for presentation, a sample form filled out for reference by the candidate and two more files in English.

We, as parents of Fernanda, would like a son-in-law who believed firmly in the existence of God and the important providential mission of the True Parents and who have faith in Them. Letting God and the True Parents be the center of everything and live a Blessed family life for eternity.

We would like a son-in-law that have respect to us as his parents-in-law and love endlessly our daughter in difficulties and happiness centered on God and True Parents.
