Hi There,

Tomorrow we will be celebrating five years since the birth of High Noon. It has been a time of great growth, learning, and joy for me and our entire High Noon family.

I am incredibly grateful and humbled to know many of you and to see how God has clearly worked in each of our lives to bring us together.

Over the course of five years, we have seen extraordinary things happen that can only be described as miracles.

Young men and women once heavy with the shame of addiction are claiming victory and experiencing freedom.

Husbands and wives are becoming fully known to each other, finding forgiveness, grace, and healing and rekindling their Blessings and families.

We want to share how these miracles of God have taken place with you during tomorrow's anniversary celebration.

The program starts at 10:00 AM (EST). Feel free to join any time you can. [Please take a look at the program here.](#)

Also, you can set a reminder on Facebook for when we go live by following the instructions below.

Looking forward to the next five years and beyond,
David Wolfenberger
