### Open for 40 First Members!

We're only accepting the first 40 new members! After we reach 40, we will open a waiting list until the next enrollment period. This is so that we can give our focus to 40 members at a time.

## **FAQ**

***Is it another Matching website?***

First, MatchNet is an educational platform, then second, it is a platform for connection. It is *not* a profile-based social platform like other websites. We work to support the already-existing Matching websites of our faith community.

***What's the inspiration behind MatchNet?***

MatchNet is meant to answer the questions of *Why* and *How* when it comes to the Blessing. Why is the Blessing important to *me* and how can I prepare? Watch [this video](#) for more about the inspiration.

***Is it for Parents and Singles?***

Yes! The educational content of MatchNet is designed for single individuals who are preparing for the Matching Process and

Blessing, as well as parents who want to know how to help their child navigate the Matching Process.

***Why are you only accepting 40 members?***

We will open the program up to more and more people over the next few months. It was decided to limit the initial number of enrollments so that we can focus our attention on their experience and develop the platform incrementally.

***Is MatchNet available to all nations?***

Yes, it is, but all of the content is currently only available in English. Our end goal is to make MatchNet helpful and accessible to every family in the world, through more translated educational content and even scholarships for certain regions.

***Why is there a membership fee?***

All of the content about the Matching Process and how to get Blessed is still available for free, and has been for many years. At this time, we decided to prioritize our focus on an exclusive group of members for an affordable price, and then grow that group little by little.
