*"Reading Core of the Universe every day is helping us understand deeper the purpose of sex and what really*

*matters in the world. We even did not fight this week while reading and discussing these topics!" – Ilyas (Husband)*

*"Reading and studying the words about how sacred the sexual organs are and that they are the portal of true love, life, and family, I understand how quickly you can forget this and plunge into an atmosphere of the secular fallen world. If we do not maintain and deepen knowledge about absolute sex and true love, we will just go with the flow ... It's great that we have this book! My husband and I enjoy reading and studying it."*

*– Ilzana (Wife)*

## Course Announcements

### Welcome to the Love & Integrity Course

Welcome to the course! The program officially starts this Saturday (Oct. 9) with the daily reading of the [Core of the Universe](#) book.

The below content has important info to know about the program.

You can find all of the latest communications on the course webpage, which is [highnoon.org/love](http://highnoon.org/love) (be sure to save this page).

### Orientation Webinar this Friday @ 9PM (EST)

We will have an orientation webinar for all participants this Friday, Oct. 8 at 9PM (EST). Yun-A Johnson and David Wolfenberger will give a short presentation and we will explain how to get the most out of this course.

### Course Format

This course has three aspects: Daily Reading, Weekly Small Group, and Live Masterclasses.

Here's an outline of each:

#### 1. Daily Reading

The daily reading of the *Core of the Universe* book will begin this Saturday, Oct. 9. ([get the book here](#))

Just read one Chapter every day, and then do the discussion points at the end of each chapter. If you are doing the course without your spouse, then you can either do the discussion points by yourself with a journal *or* discuss with another participant of the same gender (recommended).

Please pick a time of day that works best for you and do your best to stick with it daily. You can think of it as a condition if that helps!

## 2. Weekly Small Group

The groups will meet weekly at a designated time. This is an opportunity to hear from others, build community, and share what you've gained so far.

We will make small groups based on gender and age range, so please look for our communications about your group.

Each group will have a facilitator. The format of the group calls will consist of a brief check-in about how your week has been (personally and marriage), followed by a discussion.

## 3. Live Masterclasses

There will be live webinar masterclasses every other week. The webinar will consist of a presentation and a breakout discussion. The speakers will be Dr. Andy Compton, Mrs. Yun-A Johnson, Dr. Tyler Hendricks, Mr. David Wolfenberger, and more.
