### Dear Families,

We are excited to announce that the next Hyojeong Cosmic Blessing Ceremony will take place on April 16, 2022.

[Here is the official](#) announcement from International Headquarters. This is a preliminary memo, so it only contains limited information. Therefore, we encourage couples who are planning to attend the upcoming Blessing to fill out the [Intent to Participate Form](#) (login required). Please provide the name (first and last) and email address of each spouse. The Blessing & Family Ministry (BFM) will use the information you provide to update you with any new details pertaining to the HJ Cosmic Blessing 2022.

Please note that filling out the [Intent to Participate Form](#) (login required) is not registration for the Blessing Ceremony. It is simply an indication that your couple is getting ready to participate in the 2022 HJ Cosmic Blessing.

To register for the Blessing Ceremony, you need to complete the Matching and Blessing application [here](#). In order to do this you will need an account, either paid or free, but we recommend investing in a paid account so that you can access the Level 3 Blessing Education which is required education to attend the Blessing.

We'd like to encourage those who intend to participate in the upcoming Blessing to take advantage of having advanced notice and complete the application well before the deadline.

For Pastors and Community Leaders that plan to host a local Blessing, please [fill out this form](#).

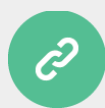

Thank you and looking forward to supporting you through the process.

Sincerely,

## **Where will the Blessing take place?**

The Blessing Ceremony will take place in Korea and be broadcast live throughout the world in local community churches. Please communicate with a local pastor about your interest in participating.

## **What is the dress code?**

Dress code is to be determined. We will update this page as soon as we know.

## **Will there be Special Grace?**

There will be no Special Grace before this Blessing. However, please contact us at [matching@unification.org](mailto:matching@unification.org) if you have any specific questions about your situation.

## **What is the 40-Day Separation and is it required?**

The 40-Day Separation period is a devotional period following the Blessing Ceremony before beginning your sexual relationship as a Blessed Couple.

This period can be a beautiful experience for couples who use this time to focus on their *internal* intimacy and connection, and on that foundation, build on their physical intimacy

after 40 days.

Further, this devotional period is an important way to offer your relationship to God before offering yourselves to your spouse.

We strongly recommend that all couples participate in the Love & Integrity program during the 40 days after the Blessing. [Learn more about the program here.](#)

### Is it required?

For first-generation couples, the 40-Day Separation is a necessary condition established by True Parents in order to complete the change of blood lineage process.

For second-generation couples who are Blessed Children, the 40-day separation is highly recommended.

### What are the COVID-19 regulation guidelines?

We strongly request that all local organizers follow state and local guidelines regarding COVID-19. In addition to following local guidelines, all Blessing venues are requested to do the following:

- Follow local capacity regulations
- Couples and observers must be seated 6 feet away from other couples or observers
- For safety reasons, all couples and observers should wear facemasks
- Provide hand sanitizer and extra masks for those who do not have any
