Ilzana & Ilyas

*"Reading Core of the Universe every day is helping us understand deeper the purpose of sex and what really matters in the world. We even did not fight this week while reading and discussing these topics!" – Ilyas (Husband)*

*"Reading and studying the words about how sacred the sexual organs are and that they are the portal of true love, life, and family, I understand how quickly you can forget this and plunge into an atmosphere of the secular fallen world. If we do not maintain and deepen knowledge about absolute sex and true love, we will just go with the flow ... It's great that we have this book! My husband and I enjoy reading and studying it."  
– Ilzana (Wife)*

## Do I need to do the program together with my spouse?

You can participate in this program even if your spouse is not able to join. It can be very beneficial to your relationship even if you do it alone. The weekly small groups will be very valuable in your situation.

## How much does the course cost?

This 6-week course includes organized weekly group calls and live masterclass webinars for \$40, plus \$15.95 for the cost of the Core of the Universe book for daily reading (\$9.95 on Kindle).

## Is there a discount available?

In addition, we will try to make small groups based on your first language if there are enough participants in that language.

## I don't have time! How much time will the course take?

The time commitment is minimal for such an important topic! The course

consists of daily reading for around 20-30 minutes, plus one weekly small group for 1 hour, plus Masterclass webinars every other week for 1 hour.

## Will the groups be gender-based?

The weekly Small Group meetings will be by gender. We have found that this format allows for the greatest sharing and community building.

## I'm single. Can I still join the program?

Yes, this program will be very valuable for any individuals who are single, especially for those who are preparing for the Matching & Blessing. However, the content is primarily designed for couples.
