Dr. Ki Hoon Kim, regional chairman of Family Federation for World Peace and Unification (FFWPU) North America, brought blessings and good news to the Bay Area Family Church on Sunday, February 23.

After sharing an inspiring Sunday sermon, Dr. Kim made a special offering of \$20,000 to the [Principled Academy](#); a school founded by Dr. Mose Durst and his wife Onni, and now run by their son Isaac Durst. This is part of the efforts of FFWPU co-founder Dr. Hak Ja Han Moon, affectionately known as True Mother, to support the education of second-generation Unificationists, as well as develop principled education in general, an initiative that FFWPU-USA is fully supporting.

On that occasion, Dr. Kim also presented Dr. and Mrs. Durst with a special Ginseng gift from True Mother.
