Greetings Christian Colleagues!

Can you believe it? In May of this year the American Clergy Leadership Conference will be celebrating its 20th Anniversary. In preparation for this big celebration you are being invited to a very special clergy seminar in Las Vegas, Nevada at the beautiful IPEC. Together with a host of clergy from across the country.

As we write, plans are being detailed for our 7-Day seminar for you, the Chosen. We believe these questions and many more questions will be answered when you register and attend "Chosen" - our clergy seminar.

With other clergy and it has only been a few weeks since the momentous world-level victory establishing the World Clergy Leadership Conference at Prudential Center, Newark, NJ in December. True Mother has asked us to come together, study together, and plan for new growth in 2020, so that our American clergy can help establish support for the world.

This is what she has said directly to us, the clergy:

"ACLIC should invest all its forces toward the day they can return to God His whole Christian foundation. That day will be the day this country becomes a restored nation. Do you understand? We must return to Heaven what Heaven expects. Sovereignty! You need to return sovereignty. True Parents are the owners. Sovereignty, people, territory! America has to show this clearly." True Mother, Las Vegas, June, 2019.

To respond to our calling, let us come together in fellowship and learning so that we may do all that God is calling us to do. Consider these questions:

Have you ever desired to discuss Jesus' understanding of his own mission? Would you like clarity on the current direction of our American Clergy Leadership Conference? Might clergy unite in the bond of peace throughout the nation and the world?

Join Archbishop George Stallings, Rev. Demian Dunkley, Rev. John Jackson, Bishop Dr. Luonne Rouse, and more Christian leaders as we learn the Divine Principle for Christian Believers. Registration fee covers a beautiful stay at our gorgeous Peace Education Center in Las Vegas. The weather is usually beautiful. All meals, accommodation, local travel, and seminar expenses are included in the registration fee.
