This Sunday during Service all present will be receiving the special Holy Salt from Death Valley that True Mother bestowed last month to build on the existing Cheon Il Guk Holy Salt tradition. This salt signifies blessings to find the righteous people whom Heaven has prepared [who are like salt] to become people of Cheon Il Guk.

This salt is to be stored in the brightest place in your home, to be carried when witnessing, given as a gift to the "righteous people who are like salt", and used for sanctification as needed - just like the Cheon Il Guk Holy Salt.

This salt bequeathed to the Regional Presidents and heavenly Top Gun during the Celebrations for True Parents' Birthday and 11th Anniversary of Foundation Day.

Join us this Sunday at Service to receive this Special Holy Salt on behalf of your family. For anyone unable to make it this Sunday we will be having another bequeathal ceremony on Monday, March 25th 7PM at the Cheon Shim Won.

The graphic features the Las Vegas Family Church logo at the top center, which includes a circular emblem with a family and the text "LAS VEGAS FAMILY CHURCH". Below the logo, two circular portraits are shown: on the left, Dr. Ki Hoon Kim, a man in a suit and glasses; on the right, Deborah Harris, a woman with long dark hair. To the left of the portraits, the text "MAR" and "10:30AM" is displayed. To the right, "24" and "IPEC" is displayed. At the bottom, a yellow banner contains the title "SALT-LIKE PEOPLE OF THE EARTH" in large white letters, with "DR. KI HOON KIM (LVFC SENIOR PASTOR), DEBORAH HARRIS" in smaller white letters below it. The background is light blue with white dots and yellow geometric lines.

Join us this Sunday to receive your Death Valley Holy Salt and hear a story of the "salt-like" people Mother has been emphasizing. Come for the word

from Dr. Ki Hoon Kim, our Senior pastor, and an interview with Deborah Harris on what God has said to the people who Heaven has guided to our movement.

This April the Next Generation of America will be going to Korea on a Pilgrimage to become closer in heart with our Beloved True Mother. Join us in empowering the next generation of the Las Vegas by supporting their trip to the pilgrimage to Korea!

We would like to support the young adults that are interested in going to the pilgrimage in Korea by sponsoring part of their registration fee and flight cost. No amount is too big or too small. We are encouraging young adults to take ownership in part of the cost. The trip will cost in total (airfare and expenses in Korea) around \$2000 per person. We want to be able to support up to \$1000 per young adult attending the pilgrimage.
