

True Father: The world will follow nothing other than the source of love

Dear brothers and sisters,

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Those who love more, invest more, who give more and forget what they have given, will become central figures. This is cosmic law." (1)

Many tried to dominate the world, but their motivation was not in line with God. They did not act based on love, but on hatred and violence. In the end they failed.

Those, however, who act based on true love, being in line with God, giving and forgetting, forgiving and forgetting, again and again, will rise up and gain much influence. Jesus is an example for this. He died on the cross but his heart and love influenced the next 2000 years.

True Parents are just the same. They lived and live like Jesus lived, with the same heart for God, the same heart of unconditional love, for friends and enemies alike. Thus their influence in this world will rise until all evil is gone:

True Father: "But you must understand that no matter what happens to me, even if they are successful in physically eliminating me, that will not stop the march of the love of God. That love will prevail. The world will eventually be enlightened and united by the teaching of Reverend Moon, whether he is

physically alive or not." (2)

Of course, we need to be just like that, and that will accelerate the downfall of evil in this world:

True Father: "As blessed couples, you are inheriting that tradition [True Parents' tradition]. You must receive it and uphold it, clean and pure. In order to inherit that tradition, you must become like the True Parents. You must live like them and embrace heaven and earth, the entire world and humanity. Then you can say, "Yes, Father, we inherited that tradition." (3)

Then God will gain dominion over the world, through us:

True Father: "The world will follow nothing other than the source of love. You must become a magnet of love and then the world will be attracted. Only in that way can one gain dominion of the world." (4)

True Mother: "A life of giving will surely grow and progress steadily. The person who lives thus will eventually take a central position as the nucleus of society." (5)

True Father: "Can weapons, wealth, or knowledge free us from decayed philosophies? No, they cannot. Only true love can do this. This love comes from God. When you enter into a relationship of true love with God, you will be given absolute authority to have dominion, ownership, and the right of inheritance." (6)

We need to put God first, have the heart of filial piety (Hyo Cheong) towards God, seek the Kingdom of God first, as Jesus said, and love the people of the world with the true love of God. That will make a big difference, and we will make the most out of our lives, helping God to clean up this world from hatred, violence and all other evil. We will achieve the greatest possible carrier in life:

True Father: "I want you to understand, therefore, that the Unification Church is the historically highest religion, and the way you are living is the historically highest career. My teaching is always directed toward achieving this goal -- that every one of you can fulfill this historically highest career and achieve God's ideal of love. Do you understand?" (7)
