Dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "In God's world, we love even the enemy and we never retaliate against others. When we love even our enemy, Satan must run away because he has no foundation to claim anything as his own."
(1)

True love gives unconditionally, even to those that are unlovable, even to enemies. True love keeps loving, no matter what. It certainly does not seek revenge:

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." (2)

With the power of true love we can achieve world peace:

True Mother: "True love is to love even someone who seems impossible to love, and thus, in true love you have no choice except to love even your enemies. Furthermore, true love is the sacrificial love of even giving one's own life for others. Therefore, in true love the antagonisms and conflicts among individuals and among societies or nations are completely transcended and dispersed. With true love we can achieve true peace." (3)

In true love we cannot regard anyone as our enemy:

True Father: "Have confidence and remain centered on true love. There is no enemy within true love, not even Satan. I have never regarded anyone as my enemy. I grasp hold of my so-called enemy in my left hand and I never let go until that enemy loves me. Do you understand?" (4)

The more people love the way God does, the faster the Kingdom of God appears:

True Father: " From the moment you can love your enemy the Kingdom of Heaven shall come." (5)

That is because Satan has no weapon against those who love the enemy. That power will wipe out evil

from this planet:

True Father: "If you have such great love that you can love even your enemy, that power will melt everything. God needs a movement that can melt the wrong world down and change it into the right one." (5)

We need to be part of the true love movement that can build the Kingdom of God, where people do not know hatred and violence anymore:

True Father: "Since the principle path of the providence of restoration is for God to bring about Satan's surrender by loving him, we who are His children have to walk this same path. It doesn't matter that we are persecuted and abused and regarded by everyone around the world as an enemy.. We who are God's children must establish the condition of having loved those who oppose us.

From this perspective, there is amazing truth in God's teaching, "Love your enemy." In fact, this is one of God's strategies in His battle against evil. These words sound simple. Yet few realize that they mark the boundary line between victory and defeat in the battle between God and Satan." (6)

We all can be part of this. We all have the potential to love the way God does because we are the children of God, created in His image. We all can develop and train this potential of love instead of letting it be unused, thinking we are unworthy sinners etc. God wants us to become even better than Him, with respect to love.

Great miracles will happen as soon as we use the power of loving the enemy:

True Mother: "In 1991, my husband and I were filled with emotion as we passed the very site of that prison while we were travelling to meet Kim Il Sung at the Presidential Palace at Hamhung. It was through this meeting that we laid the cornerstone for renewed efforts for the reunification of North and South Korea. I was reminded once again that our Heavenly Parent works miracles when we forgive and love our enemies." (7)
