Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

Sun Jin Nim: "True Father set the standard of true love, a standard we are called to embody." [1]

We all are supposed to inherit the heart of God and True Parents. We need to work on our perfection of heart and love:

True Mother: "At this moment, as we work toward opening of the Cheon Il Guk era, you must be able to find the perfected original mind while carrying out your own responsibilities." [2]

That of course does not go automatically, but requires constant training of heart in all situations of daily life:

Sun Jin Nim: "Just because someone joins, works as a missionary, and gets blessed and has a family, it doesn't mean that perfection is readily achieved. Is any great achievement easily achieved? No, it takes practice, practice, practice. We must apply the Principle with sincerity in every single conscious moment of our lives, as individuals and as families. Only in this way, can we function at a world-class level. Only in this way will it be possible for all 7 billion people of the world to come to understand True Parents' teachings." [3]

God often guides us into certain challenging situations where we are at the limits of our ability to love unconditionally. He hopes that in these situations we see our fallen nature and the limitations of our heart more clearly.

God hopes that at that point we find the motivation to overcome the fallen elements in ourselves that we might not have seen so clearly before. He hopes that we grow in heart and love, so that we reach God's and True Parents' standard:

True Father: "When your standard of heart is the same as God's, all problems will be solved." [4]

The best way to solve our problems is to focus on our growth of heart and love every day.. Then God will help us to get rid of problems that otherwise would not easily disappear.

Love from Bruno
