Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father:

True Father: "Father is watching you with hope that soon a person of character and stature similar to his will come. You must know this. If God could give blessings to Rev. Moon, God giving such a person would be the biggest gift." [1]

What kind of people do God and True Parents want to emerge? They want people to emerge who love God and mankind just as much as True Parents do.

True love is the essence of God. It is the essence of True Parents. And it has to become our essence as well. Then we are fulfilling True Father's dream, that people like him emerge.

In deed, we all need to become like God and True Parents. We all need to develop the heavenly heart. In the world designed by God everyone has a heavenly heart. Everyone will be a visible God. This is the goal of restoration.

To get there we need to focus on growth of heart, on developing true love in our heart, breaking down all the barriers of love in our heart:

True Father: "I push you out into situations in society that will train you and season you as true love champions. You do not sit in classrooms but learn through activities. The purpose of all those activities is to enable me to sign your true love certificate." [2]

Love from Bruno
