Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "...when an individual tries very hard, pouring out his/her heart toward other people, then what he/she has invested will never be lost, but remains with him/her as a record. Heaven sees to it that you never lose this. Seeing this accumulation, you can understand why heaven is so grateful to us, and in turn we must be so absolutely thankful to God." [1]

The more we invest into people, the more blessing we receive, especially if our investment is in line with the way God loves. God loves unconditionally and His love never stops:

True Father: "With the love of God, the more you give, the more you receive. You become a giant. The more you give the more you receive, not only from God but also from people; your one investment derives benefit from both ends."

Our investment is most precious for God, if we invest in order to move God's providence forward and to make God's and True Parents' dream and vision of the ideal world of heart and love a reality. God is most thankful to us if we make His and True Parents' dream our own and pursue it. That will deeply move God and Heaven:

True Mother: "You were determined to love and respect True Parents throughout their lives, but were you also determined to achieve their dreams?" [1.10.14]

The time has certainly come for God's and True Parents' dream to become a reality. Blessed are those who pursue that same dream and invest in line with that dream. We all can do it and thus move the heart of God and True Parents, who will be so grateful to us.

Love from Bruno
