

PEACE ROAD CZECH REPUBLIC 28 JUNE 2015

On Sunday June 28th 2015 over 70 men, women and children donned their bikes or at least hiking shoes, and departed on the Czech leg of the international Peace Road 2015.

The route was 26 km from the Prague city center to a nearby town, Dobřichovice, along the rivers Vltava and Berounka on bicycle trails. A group of those without bikes took a shorter route of 7 km by starting their trip with a short train ride.

The youngest participant on bicycle, Charlotte Musil (left), had no problem keeping up with everybody over the whole distance!
