I . True Parents' Holy Wedding

On March 27, 1960 (lunar calendar 3.1), True Parents' Engagement Ceremony was held, followed on April 11 of the same year (lunar calendar 3.16) with True Parents' Holy Wedding. The Engagement Ceremony was the ceremony to demonstrate that True Parents would become a heavenly couple, standing as Heavenly Parent's completed substantial body. Owing to this Engagement Ceremony, the original and True Parents came to the world and the ideal of creation was finally fulfilled. Thus, the following year, 1961, on the anniversary of the Engagement Ceremony, True Parents proclaimed "Parents' Day" (changed to "True Parents' Day" in 1994).

The Holy Wedding, which was held 15 days after the Engagement Ceremony, was a ceremony where the True Parents came to the world bringing rebirth for all of humanity. Through the Engagement Ceremony and Holy Wedding Ceremony they became the True Parents and the new ancestors of all humanity who can restore all humankind as the heavenly couple who stand as the perfect body of Heavenly Parent.

II . The Beginning of the Marriage Blessing

On April 16, 1960, the Three Couples Marriage Blessing Ceremony was held at the former headquarters church. This Blessing Ceremony for three couples started the new history of humankind being reborn through the Blessing of True Parents. The following year, the first, second and third Israel Marriage Blessing Ceremony for 33 couples was held at the former headquarters church on May 15, 1961 (lunar calendar 4.1). Together with the Three Couples Blessing from the previous year, this Marriage Blessing is called the 36 Couples Marriage Blessing. The First Israel couple corresponded to Adam's family, the Second Israel couples to Noah's family, and the Third Israel couples represented the restoration of Jacob's

family. This 36 Couples' Marriage Blessing Ceremony is the model not only for the physical world but also spirit world.

Following the 36 Couples Blessing, on June 4, 1962, came the Marriage Blessing Ceremony of 72 Couples symbolizing the tribes of Cain and Abel, and on July 24, 1963, the Marriage Blessing Ceremony of 124 Couples symbolizing the 120 disciples of Jesus, establishing the foundation of the ethnic, national and global tribes. True Parents established the tribal foundation by completing the Marriage Blessing up to 124 Couples. The path of the tribal messiahs was opened and later the era of witnessing to tribes would come.

III. The Beginning and Development of the CheonBo Providence

True Parents chose a site based on several years of sincere devotion in the late 1960s, living in a tent in the Chung Pyung area while climbing the neighboring mountains to pray, and offering devotions while fishing on Cheonshim Lake. When it was time to build the first training center, True Father broke ground with a pickaxe on June 17, 1971, signaling the start of construction. Under True Parents' direct supervision, the construction work continued despite inclement weather, and the Formation first stage of the CheonBo Providence (Chung Pyung Providence) began with the completion of the Original Sanctuary on July 12, just two weeks after its foundation had been laid.

True Parents achieved the Opening of the Gates of the Spiritual World as they held the first stage of Ancestor Liberation on the foundation of devotions offered at the Chung Pyung Holy Ground (The Hyojeong Cheonwon Holy Ground). The Moon Clan Liberation Ceremony was held by True Parents at Chung Pyung Training Center on August 5, 1973.

On May 1, 1975, the Ceremony of Total Liberation was held under the supervision of True Parents. The Ceremony of Total Liberation was held at Hyojeong Cheonwon Holy Ground because it is the place that provides a base for the international providence, where all fortune gathers, and can resolve all.

On November 2, 1978, True Parents held the Unification Liberation Ceremony and proclaimed the Liberation of the Moon Tribe and the World Tribes. Through this ceremony, True Parents said all the barriers of the spirit world come down and the spirit world and physical world become one. So all the ancestors freely can travel freely and they can go anywhere they desire. (Chambumo Gyeong: Quotes from Chambumo Gyeong will be noted as follows: CBG 11.3.3:11, 1978.11.19)

Entering the Growth second stage of the CheonBo Providence under True Parents' direct dominion, the works of the removal of the evil spirits began from January 19, 1995, centering on Heung-jin nim, who is the commander in chief of the spirit world, and Soon-ae Hong Daemo nim, and the Liberation and Blessings of ancestors began in 1999. —Before the Ancestor Blessing, the foundation for the Blessing of spirits was prepared.

With True Parents' Holy Marriage, the ideal blessed family that Heavenly Parent intended to accomplish since Adam and Eve, finally became rooted on earth. The 36 Couples Blessing, which included the 3 couples who were the first to engraft to True Parents' family model, symbolized the family level, the 72 Couples Blessing symbolized the tribal level and the 124 Couples Blessing symbolized the world level. These three stages of Blessing Ceremonies created the foundation for the international Blessings of 30,000 Couples and 360,000 Couples. True parents did not stay in the world level but expanded the Blessings Ceremonies to the cosmic level.

True Parents gave a Blessing for spirit persons on August 23, 1995. It was conducted two days before the International Marriage Blessing Ceremony of 360,000 Couples, and it included Chungmo nim's family and Daemo nim's family and Daehyeong nim's family. On November 29, 1997, at the same time as the 40 Million Couples International Blessing Marriage Ceremony, the Blessing Ceremony for 3.2 billion spirits was held for the first time.

On January 8, 1999, with the Proclamation of Complete Liberation for the Cosmic Expansion of the Marriage Blessing and the Rooting Out of Satan's Lineage, True Parents gave a benediction for holding Ancestor Liberation and Ancestor Blessing. Following this, the Ancestor Liberation Ceremony for 1-7 generations of father's side was held on February 12 at Chung Pyung Heaven and Earth Training Center, and on the same day the Ancestor Liberation Ceremony for the Moon Clan and Han Clan was also held.

On True Father's 79th birthday, at 9:09:09 a.m. on September 9, 1999, they declared the liberation and unification of the cosmos centered on Parents of Heaven and Earth, (Gu Gu Jeol 9-9 Day). They proclaimed this day as, Day of the Blessing and Liberation of All Heaven and Earth on October 23 and the arrival of the Age of the Authority of the Fourth Adam on October 24, thus attaining the position of perfected Adam in complete oneness with Heavenly Parent. They then dedicated the main hall of the Chung Pyung Training Center as the Cheonseong Wanglim Palace on November 7th and began conducting Ancestor Blessing Ceremonies on December 12, 1999. Ancestor Liberation and Ancestor

Blessing became possible because True Parents came to the world and broke down the lineage of evil by making indemnity conditions. The whole providence of restoration in the realm of spirit world and physical world has become fruitful.

The year after the first Ancestor Liberation and Ancestor Blessing, True Parents bestowed the new name "Chung Pyung Heaven and Earth Training Center" on March 15, 2000. They verified that Chung Pyung will serve a pivotal role for the providence of salvation of the spirit world and physical world.

The Holy Marriage Blessing of the Parents of Heaven and Earth Opening the Gates to Cheon Il Guk was held at Chung Pyung Heaven and Earth Training Center on February 6, 2003, on the 84th birthday of True Father and 61st birthday of True Mother. Through this, the way was opened for the blessed spirits in spirit world and blessed families on earth to register themselves as citizens of Cheon Il Guk.

True Father ascended to the spirit world in 2012 on Sep. 3 (7.17 by the heavenly calendar) and 13 days later on Sep. 15 (7.29 by the heavenly calendar), the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind was held in a solemn atmosphere at the CheongShim Peace World Center. After going to the spirit world, True Father reorganized the order of spirit world and bestowed great gifts of grace and blessing to the members.

True Mother also said, "The spirit world has changed since True Father's Universal Seonghwa." In light of this change of the spirit world, True Mother emphasized the importance of Ancestor Liberation and witnessing. (CBG 13.2.3:8, 2013.06.23)

During the Completion: third stage of the CheonBo Providence that started from October 27, 2014, workplace under the direct dominion of True Parents should become the Bonhyangwon (Original Homeland) for all of humankind. In other words, in this age of heavenly works directly and actually supervised by True Parents, True Father in heaven and True Mother on earth become one and directly grant the great forgiveness of actual grace and blessing.

In order to support the heavenly works for the firm establishment of the new Cheon Il Guk, on October 27, 2014, True Mother reorganized the Chung Pyung Heaven and Earth Training Center, and she added "From the time of works centered on Heung-jin Nim and Daemo nim, we are entering the age of works under True Parents' direct dominion."

On August 27, 2015, three days before the 3rd anniversary of the Holy Ascension of True Father, True Mother told us that Hyo-jin nim's portrait should be placed in the Jeongshim Won prayer hall and that Hyo-jin nim and Heung-jin nim stood in the positions of the Cain and Abel as the restored first and second sons. True Mother clarified, "Heavenly Commander Heung-jin has stood at the center of the spirit world until now, but now it is Hyo-jin's turn to stand in the position to support True Parents as the first son."

By the third anniversary of True Father's Holy Ascension in 2015, True Father had traversed the spirit world for three years and completed the foundation so that he could do heavenly works by directly presiding over Earth and Heaven.

Until the third anniversary of True Father's Holy Ascension, True Mother offered her three years of memorial jeongseong, creating a trinity with True Father in heaven, centered on Heavenly Parent.

After August 30, 2015, the third anniversary of True Father's Holy Ascension, True Parents have been opening the age of the Works of Substantial Holy Spirit where the spirit world and the physical world are directly governed by True Parents. True Father in heaven and True Mother on earth achieved oneness in heart, oneness in body, and oneness in thought, and can advance the providence by directing both the spiritual world and physical world. This established a stable new age of order in the spiritual world since True Father has reorganized the spiritual world for the three years after his Holy Ascension.

True Mother spoke a great deal about the development in the CheonBo Providence three years after True Father's Holy Ascension. In particular, True Mother specifically said, "When it comes to Ancestor Liberation, True Father directly supervises in heaven. From now on, if there is unity with True Parents, there will be miracles. If you invest yourself in prayer and devotion, your problems will be solved. This is possible because the spiritual base is already prepared." True Mother informed all human beings about the historical changes in the spirit world. Now that three years have passed since True Father's Holy Ascension, work for returning resurrection to become one with True Parents is very active.

IV. Heavenly Tribal Messiahs, the Path for the Blessed Families to Follow

The heavenly tribal messiahship movement refers to blessed families that inherit the right of True Parents' universal victory and expand it from one family to one tribe. True Parents first spoke about tribal messiahship in 1963. And they officiated the Proclamation of the Rights of Tribal Messiahs, which was

held at the Hannam International Training Center on January 3, 1989 (lunar calendar 11.26). With this Proclamation of the Rights of Tribal Messiahs, the blessed families inherited True Parents' entire victorious foundation.

According to True Parents' words, blessed families will become heavenly tribal messiahs realizing the ideal of the three great blessings not just by fulfilling the horizontal restoration through witnessing but also by blessing their ancestors to fulfill the vertical restoration. In addition, the substantial cooperation and direct spiritual and physical growth and development of the spirit world will be realized beyond the personal level to the levels of the family, tribe, people, nation and world. True Parents made it clear that the fulfillment of the mission of the horizontal restoration and the vertical restoration, and the triumph of tribal messiahship are the coordinates by which we should advance as follows:

"As a tribal messiah you have three important missions: First, you must restore your ancestors; second, you must restore your hometown; third, since the first human ancestors, Adam and Eve, fell and God was expelled from their family, you must live with God in your family. These are the three missions of a tribal messiah." (CBG 12.2.2:26, 1993.10.14)

"You blessed families are tribal messiahs. You need to liberate your relatives in the spirit world and the physical world. You have that responsibility. For the sake of your ancestors, establish the same kind of indemnity conditions you set when you married. If you do not do so, you will not be able to mobilize the angels or summon your ancestors. We are pulling people out of hell. Angels have been sent to pull them out." (CBG 11.3.2:21, 1999.06.06)

As True Parents emphasized the importance of fulfilling the tribal messiahs mission at the Cheon Jeong Gung on April 25, 2012, the 30-day Original Divine Principle Workshop for 3600 Heavenly Tribal Messiahs was held from May 17 to June 15, 2012.

True Father also mentioned the tribal messiahship in his last prayer on August 13, 2012.

"Today, as I have returned the conclusion of the final perfection to You, Father, I know that up to this moment, I have offered my whole life to You. I am spending this time now to bring my life to its conclusion, to bring it to a close with utmost devotion, in accordance with Your Will. In order that we may return to the original garden of Eden, the garden with no trace of the Fall, and surmount everything that came to be connected to Adam's portion of responsibility following the error committed by his betrothed, I, who have the authority to grant liberation and complete freedom to everything, declare that anyone who follows True Parents, be it someone in the fourth dimension, or be it someone who would otherwise go even to the fourteenth dimension of hell, will be adopted into the kingdom of heaven and registered in the fourth dimension. I declare that if, centering on the fourteen sons and daughters, the tribal messiahs are able to fulfill the calling of national representatives and restore the 387 nations [of the Abel UN and Cain UN], everything will be brought to a conclusion. I have accomplished everything for this. I have completed everything. Aju!" (Holy Scripture of Cheon Il Guk: Cheon Seong Gyeong, True Parents' Prayers 13:8)

Since True Parents have emphasized the tribal messiah movement, it has gained a much deeper meaning. It represents a life of attending Heavenly Parent as heavenly tribal messiahs. True Parents gave a message about the meaning of the heavenly tribal messiahs at the Geomundo Cheon Jeong Gung Palace on September 16, 2011 during hoondokhae while reading about establishing the New Tribal Messiah Federation. True Parents emphasized, "The new tribal messiahs are heavenly tribal messiahs." True Mother also talked about this on October 29, 2014 when she visited the construction site of the Chungnam District Headquarters building. She conveyed a blessing in her message to the members gathered there, "Become heavenly tribal messiahs who attend Heavenly Parent." and "The meaning of becoming heavenly tribal messiahs is that you can be affiliated with the tribe of Heavenly Parent."

The heavenly tribal messiahs should be unified with Heavenly Parent and work together in the era of Cheon Il Guk, starting from the Foundation Day of Cheon Il Guk. As heavenly tribal messiahs, all the blessed families must attend True Father and True Mother, who are directing the physical world and the spirit world, and they must have a strong mindset to become like Heavenly Parent and True Parents and work hard proactively to expand our movement and fulfill True Parents' will. True Mother stated:

"You must fulfill the mission of heavenly tribal messiahs. You must do this for the remainder of your life. If you cannot do this, after you go to the spirit world you will be ashamed to meet True Father. He will say "I taught you this on earth, and I have also earnestly requested that you do this, but why haven't you done anything?" This is work that you absolutely must do, not only for your sake, but for generations of your descendants." (CBG 5.4.5:36, 2013.02.10)

At the inauguration ceremony of the Cheon Il Guk Heavenly Tribal Messiah Federation, which was held on February 17, 2019 (1.13 by the heavenly calendar in the 7th year of Cheon Il Guk), True Mother bestowed certificate cards in genuine gold with "CheonBo" written in True Parents' handwriting to 21

couples among the victorious 320 couples who are recorded in CheonBo Won, because these 21 couples had completed the registration of their entire tribes. This symbolized their advancing from the tribal level to the stage of national restoration along with True Parents on the condition that they have so far restored 430 couples horizontally and 430 generations of their ancestors vertically. True Mother told us that all the nations must be restored. To achieve this, the heavenly tribal messiahs first have to establish a foundation in the physical world and spirit world. True Mother revealed the mission of the heavenly tribal messiahs at the inauguration event on this day as follows:

"While you are living with me on the earth as a blessed family, you should liberate all your ancestors, not just your 430 generations. You should liberate all your ancestors who have lived on this earth during the past 6,000 years. Do you quit after blessing only 430 couples? When you have finished blessing 430 couples, you have to mobilize all the members of the families you have blessed so that each of them will also bless 430 couples."

V. CheonBo Won, the Place of Honor for Heavenly Tribal Messiahs

Aug. 28, 2018 (on 7.18 by the heavenly calendar in the 6th year of Cheon Il Guk), "CheonBo Won" (天譜苑: These Chinese characters mean "heavenly genealogy center") was revealed in its splendid new facilities after the Dedication Ceremony for CheonBo Won and, True Parents bestowed the name "CheonBo Won" (天寶苑) with the meaning of "heavenly treasure center." On the anniversary of Foundation Day, Feb. 17, 2019 (1.13 by the heavenly calendar in the 7th year of Cheon Il Guk), the historical Grand Dedication Ceremony for CheonBo Won was held in attendance to True Parents.

March 27, 2017 (on 2.30 by the heavenly calendar in the 5th year of Cheon Il Guk), True Parents visited Chung Pyung Heaven and Earth Training Center. She spoke about building the CheonBo Won (天譜苑), saying, "We need to get a thousand troops supporting us. Blessed families on earth must fulfill their responsibilities and ancestors in the spirit world must be liberated. We must fulfill God's dream. In the spirit world, there will be records forever of what your family has done on earth."

Two days later, True Parents repeatedly emphasized the CheonBo Won at the True Parents' Special Assembly held as part of the National Pastors' Assembly for the Victory of the 5th Year of Cheon Il Guk (March 29, 2017), saying, "I am going to build a CheonBo Won at Chung Pyung Heaven and Earth Training Center. If you can get there with pride, that would be good. I am going to make a place where your descendants can live and say, "I am proud and grateful for my ancestors.""

Then, April 12 (on 3.16 by the heavenly calendar) during the 57th Anniversary of True Parents' Holy Wedding, True Parents said, "It won't be just your name that will remain forever. You also need to have results that are recorded eternally. That is why I am going to make a CheonBo Won. Blessed families are in the position of past, present and future ancestors. It is all up to you. You must fulfill your responsibilities as heavenly tribal messiahs. You should be proud of True Parents." She emphasized the significance of CheonBo Won.

During the time CheonBo Won was being built, True Parents offered a lot of jeongseong to support the work by frequently visiting the construction site and giving specific guidance regarding the construction plans. May 23, 2018 (on 4.9 by the heavenly calendar in the 6th year of Cheon Il Guk), True Parents entered the CheonBo Won construction site to inspect the first and third floors. While the construction work was moving toward completion, True Parents spoke more specifically about the role of CheonBo Won, and offered words of blessing, saying, "This will be a place where the blessed families' shimjeong can be cleansed and resolved through their sincere prayer."

The completed CheonBo Won building was revealed in front of heaven and earth during its dedication ceremonies. Two dedication ceremonies and a Grand Opening Ceremony were held. True Parents bestowed this big blessing to us in three stages.

Aug. 28, 2018 (on 7.18 by the heavenly calendar in the 6th year of Cheon Il Guk), the third day of the Hyojeong Chung Pyung Great Works Commemorating the 6th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind, the first Dedication Ceremony for CheonBo Won was held in attendance to True Parents.

Vice President Myong-kwan Lee was the Master of Ceremonies for the Dedication Ceremony for CheonBo Won. True Parents gave a benediction prayer for the CheonBo Won, which will be recorded in human history as follows:

"As we dedicate the CheonBo Won in front of Heaven today, for the proud victors of Chen Il Guk who can be recorded here, we must look at it with the past, the present, and the future as well as Heaven and all humankind in mind. We must be individuals and blessed families that have not a single flaw, who have fulfilled our responsibilities, and are unwavering and united with the spiritual and physical worlds

on one point. When we reflect on these standards we feel so undeserving. However, because we have True Mother, the only begotten daughter of God, and the True Parent of Heaven, Earth and Humankind, until the day we die we will unite with Mother and will devote ourselves and strive even harder to reach those standards as Heaven desires. Father! Heavenly Parent! The True Parents of Heaven, Earth and Humankind! We pledge this here where heaven and earth are one. Please accept our pledge. In all the days to come, may this become a hall in which a legacy may remain telling the proud story of unblemished forefathers and ancestors that cast no shadow. We earnestly and fervently hope that you may sanctify everything and accept our offering joyfully. I pray this in the name of True Parents."

After the benediction prayer, the ribbon cutting ceremony was held, following which True Parents entered the first floor of the CheonBo Won and sanctified it with holy salt. And then at the main hall of the Cheonseong Wanglim Palace, the Victory Celebration Commemorating the 2018 Hyojeong Cosmic Blessing Ceremony Officiated by True Parents and the Dedication for CheonBo Won was held as part of the Seonghwa Festival Commemorating the 6th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind. True Parents' address followed. All the blessed families who were present reflected on the following words spoken by True Parents:

"Do we have hope? Do we have dreams? Can we do it? Then that's it. The issue is, however, that we are not in the era of the complete realization of Heavenly Parent's dream, humanity's wish and True Parents' dream. We are in the era of marching toward that. We are in a new history of the providence. True Parents began the Cheon Il Guk era and blessed families and Unificationists throughout the world are marching toward the firm realization of Cheon Il Guk through fulfilling their responsibilities as heavenly tribal messiahs. Our goal is clearly defined."

True Parents bestowed the name "CheonBo Won" (天寶苑) with the meaning of "heavenly treasure center." Feb. 17, 2019 (on the anniversary of Foundation Day, 1.13 by the heavenly calendar in the 7th year of Cheon Il Guk), the Grand Dedication Ceremony for CheonBo Won was held and the exhibitions and experiences on all four floors were temporarily opened for visitors. On that day True Parents officiated the unveiling ceremony for the CheonBo Won signboard. After the countdown, the drapes receded and the golden characters identifying CheonBo Won were revealed in all their splendor. True Parents then entered the CheonBo Won lobby and took a full tour of all the facilities, looking carefully around every floor, listening to the explanations of the exhibitions and experiences by HJ Heaven and Earth CheonBo Training Center Vice President Myong-kwan Lee and Hyojeong Cultural Center Secretary General Jae-cheol Kim.

After the Grand Dedication Ceremony, True Parents has continued to emphasize the value of CheonBo Won. True Parents gave a speech at the celebration of True Parents' Victorious Return and the 59th Anniversary of True Parents' Holy Wedding, which was held on April 20, 2019 (3.16 by the heavenly calendar in the 7th year of Cheon Il Guk) at the Cheonseong Wanglim Palace:

"There are many who have their names registered in CheonBo Won. Since Heavenly Parent's creation is eternal, your efforts should not end with the first generation. Your children and grandchildren should align with True Mother, the only begotten daughter and thereby maintain a loyal family that remains forever unchanging. The elder blessed families, especially, must accomplish their responsibilities. They should guide their children and grandchildren to join their public efforts. This is the example they should set as elder families. Will you do that? Each one of you must complete your own responsibilities and achieve victory. I sincerely pray that I, the only begotten daughter, will recognize many blessed families and that they will receive my seal while I am still on earth."

Three months after the Grand Dedication Ceremony on May 10, 2019 (4.6 by the heavenly calendar in the 7th year of Cheon Il Guk), all four levels of CheonBo Won were fully opened for visitors at the historical Grand Opening Ceremony. True Parents arrived at the training center and walked across the Tree of Love Plaza to the Tree of Love where the ceremony was held. More than 2,000 participants who had gathered there offered a bow to welcome True Parents. Following that there was an offering of flowers by the staff of the training center and a progress report by training center Vice President Myong-kwan Lee on the renovated Tree of Love Plaza. After the report, commemorative photos were taken with True Mother. True Parents then moved into CheonBo Won, and looked carefully around every floor, listening to the explanations of the exhibitions and experiences by Vice President Myong-kwan Lee and Hyojeong Cultural Center Secretary General Jae-cheol Kim.

VI. HJ Heaven and Earth CheonBo Training Center Opening the CheonBo Era

True Parents bestowed a new name "HJ Heaven and Earth CheonBo Training Center" for the "Chung Pyung Heaven and Earth Training Center" during the closing ceremony of the 2019 Cheon Il Guk Leaders Assembly, which was held at Cheonseong Wanglim Palace on Feb. 15, 2019 (1.11 by the heavenly calendar in the 7th year of Cheon Il Guk). Here is True Mother's speech:

"Today, I will change the name from the Chung Pyung Heaven and Earth Training Center to the HJ

Heaven and Earth CheonBo Training Center. The scope of this training center is not limited to the area near the town of Chung Pyung. On the contrary, it is on a dimension that reaches the whole nation, that reaches all of heaven and earth. The significance of this training center is that it raises people of many ethnicities who can qualify for registration in CheonBo Won to become people whom Heaven will remember."

Later, True Mother offered Heaven the triumphant result of the Seonghwa Festival Commemorating the 7th Anniversary of the Holy Ascension of Sun Myung Moon, which was held on August 19, 2019 (7.19 by the heavenly calendar in the 7th year of Cheon Il Guk), and during the Victory Celebration that she officiated, True Mother mentioned that she had upgraded the system of the administrative departments of Cheon Il Guk, the Five Wons (CheonJeong Won, CheonBeob Won, CheonUi Won, CheonJae Won, and CheonGong Won); that they would be activated gradually starting from February 2020 and that they would be administrated by True Parents. Also, True Parents combined the CheonJae Won with the CheonJeong Won and added the CheonBo Won as one of the Five Wons.

We are now in an amazing time when True Mother who is the Substantial Holy Spirit is directly officiating CheonBo Works on the earth, and True Father is working in the spirit world. True Parents told us that all blessed families on the earth should spread their blessings over the physical world, and that they must stand in the position of the ancestors throughout the past, present and future generations by liberating and blessing their ancestors in the spirit world. This is the responsibility of the heavenly tribal messiahs. True Parents will acknowledge those families as CheonBo families, and they will be recorded in CheonBo Won.

CheonBo means "heavenly treasure". The HJ Heaven and Earth CheonBo Training Center will become a training center to nurture talented individuals who are like heavenly treasure and open the era of CheonBo centering on the value of the Blessing.
