The 2020 Victory Celebration and Launch of the 2027 Providence was held at 8:30 a.m. on the fourth day (Feb. 8) of the Hyojeong Festival at the CheongShim Peace World Center, along with the dedication ceremony for the Cheonseung Jeon. About 30,000 people attended the celebration, including Cheon II Guk leaders, CheonBo registered families, and other blessed families.

As she spoke to the assembled members, True Mother said, "What was True Father's wish after his Ascension? It was not only national restoration and world restoration, but also the establishment of the homeland of Heavenly Parent while True Mother is on the earth." and she urged them to work hard to realize "the country where Heavenly Parent is together with us, with one family of humankind." True Mother went on to say, "This is a time when we have to make a life-or-death determination to accomplish national restoration during the next two years. We need to continue forward until the moment that Heavenly Parent applauds us."
