A total of 1,180 members from 17 countries of Latin America Sub-region 5 (Mexico, Guatemala, Nicaragua, Honduras, Costa Rica, Panama, Suriname, Venezuela, Colombia, Ecuador, Brazil, Peru, Bolivia, Argentina, Uruguay, Paraguay, and Dominican Republic) participated in the Heavenly Latin America Hyojeong CheonBo Online Event which was held from 9:00 a.m. to 12:30 p.m. on July 26. This event was held through two separate methods: Brazil, Paraguay, Bolivia, Mexico, and the Dominican Republic held the event in their local areas, and the rest of the countries in the Sub-region 5 participated through an online workshop.

From the opening remarks to the representative prayer, the workshop was carried out directly at the sites in each country, and then, starting from the welcoming remarks, it was conducted by video. Reverend San-suek Kim delivered welcoming remarks and Heavenly Latin America Branch Training Center President Seong-nam, Kim delivered the opening remarks at the opening ceremony. A special video clip entitled, "The Grace of Hyojeong CheonBo Works" was streamed right before the chanyang session for the Ancestor Liberation Ceremony. After a short break, the Ancestor Blessing Ceremony was held through video.

We would like to bring you testimonies offered by some of the participants in the Heavenly Latin America Hyojeong CheonBo Online Event.
