October 25, 2020

On the second day of the Great Works (Oct. 25), after the entire program was completed with the Tree of All Things prayer, all the senior staff and employees of the training center gathered at 2:00 p.m., led by International Workshop Department Director In-Sung Moon. After offering a prayer of gratitude, all the participants offered a big round of applause to Heavenly Parent and True Parents, Hyo-jin nim, Heung-jin nim, Dae Mo nim, and the absolute good spirits, and the chanyang team, lecturers, and all the other training center staff congratulated each other for their hard work during the event. Finally, after President Gi-seong Lee's message, Vice President Lee Myong-kwan Lee came to the stage and thanked heaven for guiding this online Great Works to success and for the grace of heaven. He concluded the whole event with three cheers of Eog Mansei.

President Gi-seong Lee emphasized that we must become absolutely one with True Mother, the only begotten daughter, who is the one with pure blood and pure love, so that we can be on the side of the realm of victory, and that we should move forward with absolute faith, absolute love and absolute obedience. And he offered a prayer, saying: 'Please let us reflect on our lives and our work to complete the maturation of our spiritual bodies, which is supposed to be completed on the earth, and reflect on whether our spirit is in the formation stage or the growth stage or the completion stage, so that we will not be negligent in our efforts to work toward that maturity every day. And I sincerely hope that we will be able to take responsibility for what we have done in order that we may go the way which will support True Mother in fulfilling her wish and her will during her lifetime.'
