  - b) Hyojeong Won (Recommended)
  - c) Holy Robes (Recommended for members participating in the Ancestor Blessing)

- B. Sharing or recording the event is not permitted.

**4. Ancestor Liberation and Blessing**

- A. For the ancestor liberation, please offer a 21-day condition of devotion (breakfast fast or 50 bows), regardless of the number of generations you are liberating.
- B. Ancestors who have become absolute good spirits will go to their descendant's home 40 days after the Ancestor Blessing Ceremony. It is appropriate to conduct a simple welcoming ceremony for them.
- C. International members can continue to apply for Ancestor Liberation and the Ancestor Blessing Ceremony via email, letter, or website account from their countries. More information can be found on the training center's homepage.

**5. Spirit World-Physical World Matching Workshop**

- A. Age Standard: 60 years and older. If you are unable to participate due to illness or old age, a direct descendant, a spiritual parent or child, or a designated person may participate with a photo of the participant on earth. However, one representative can only represent one person.

(One person cannot act as a representative of many.)

#### Exceptions

※ If you have a serious ailment and are in a difficult position to even stand up, then for special circumstances where it is difficult to receive the Blessing on earth, you may ask for permission from the Blessed Family Department to apply for the Spirit World-Physical World blessing at the age of 48 and above.

※ If you or one of your family members have a serious disability (physically/mentally) and you or they sincerely wish to receive the Blessing, then you may ask for permission from the Blessed Family Department to apply for the Spirit World-Physical World Blessing even under the age of 48.

#### B. Eligible Participants

- 1) If you have received the single Blessing and have received a benediction prayer from a church pastor (If you wish to be blessed with your deceased spouse, or if you are in the complicated situation of having been single all your life or are divorced and you are unable to receive the Blessing with a physical person, you can receive the ‘single Blessing.’).
- 2) If your Blessing was officially broken and you are in the complicated situation of being unable to receive the Blessing with a physical person (This only applies if you do not have any blessed children or children that received or would receive the Blessing.)
- 3) If the couple received the Blessing on earth but the spouse passed away during the separation period before they could do the 3-Day Ceremony. (In this situation 140 days after the matching workshop, they may participate in the workshop for starting married life. In this case they will not be a Spirit World-Physical World blessed couple but a pre-married blessed couple)

#### C. Level of Faith

The person must be willing to participate in the 3-Day Ceremony with the spiritual spouse after receiving the Spirit World-Physical World Blessing. Also, he or she must have the basic understanding of our church faith (Sunday Service, lifestyle, prayer life, etc.) The level of faith must be determined and approved by the responsible pastor of the relevant church.

#### D. Liberation Donation

- 1) You must liberate the spirit of your intended spouse.
  - If you have already liberated your spouse in a past workshop, then you do not need to apply for their liberation again.
  - Even if you offered a pre-cremation report, you still need to register for your spouse’s liberation.
- 2) If your descendant already liberated his/her Father as one of the first 7 generations with the full donation and your spouse was included in the first 7 generations at the time, then you do not need to apply for the liberation again. If your spouse passed away after your descendent completed liberating their first 7 generations, then they need to have applied for “persons who passed away after registering for liberation” for the spirit of the spouse. However, if the descendent did not complete the liberation of 7 generations and has a back payment to make, then you will need to liberate your spouse separately with the full liberation donation of a collateral. (In this case the donation will not be counted in the descendant’s back payment for their first 7 generations.)
- 3) Even if you are not getting blessed to a spouse that you were married to before, you will need to liberate the spirit of that spouse with the full collateral donation.

- 4) If you have had more than one spouse that has passed away, it is best if you can liberate all of them.
- E. Preparation: If a representative is participating in your stead, please prepare a photo of the person on earth that is being represented. (It should be large enough that the face of the person is clearly visible) You do not need a picture of the deceased spouse.
6. The workshop scheduled on **December 18** will be conducted by HJ CheonBo Training Center staff members. International and Japanese members, including students residing in Korea, are respectfully asked **not to attend**.
7. **All donations sent either via bank wire transfer or by check should arrive by December 10, 2021 as this is the deadline for registration.**
