

Schedule changes of Chung Pyung Workshops after July 2015

Gi Seong Lee
June 29, 2015

The Chung Pyung Heaven and Earth Training Center has been taking serious and thorough preventive measures, and following hygienic management steps against the Middle East Respiratory Syndrome (MERS).

Following an in-depth meeting with medical staff of the CheongShim International Medical Center and the World Headquarters, we, the staff of the international training center, have decided on the temporary suspension of workshops. This decision has been already informed through the official memo (FFWPUI 2015-101) in step with the policy of confrontation of Korea's ministry of health and welfare and the corresponding actions of other public institutions.

Please refer to the schedule below for any changes after July 2015.

We have inevitably changed the schedule of the workshops in the interest of the safety and health of all members who come to Chung Pyung Training Center. We sincerely request your understanding and full cooperation.

To date, no one has contracted MERS, and no one has had to be quarantined in their family for possible exposure to MERS. This is true for the entire staff and their families of all organizations of the Chung Pyung Complex. It is also true for those members who have attended the workshops of the Chung Pyung Heaven and Earth Training Center

The Chung Pyung Heaven and Earth Training Center will strive continuously to do our utmost best for the safety and health of the members. Once the MERS situation has become safe, we will inform you further of the workshops.

Please note that this official memo is intended for those members living outside of Korea and Japan.

1. Suspension Period: June 22? July 31, 2015 (or Until the spread of MERS has come under control)

2. Change of Schedule (June 26, 2015)
