**Thank you for attending the 'Chung Pyung Special Great Works in commemoration of True Parents' Birthday and the 3rd Anniversary of Foundation Day'!**

The 'Chung Pyung Special Great Works in commemoration of True Parents' Birthday and the 3rd Anniversary of Foundation Day' (henceforth the Special Great Works) was held from January 5th to 7th of the Heavenly Calendar, on the 4th Year of Cheon Il Guk (solar: Feb 12-14). A total of about 22,000 people from 72 nations attended this Special Great Works which was a triumphant success.

The Special Great Works, held on the victorious foundation of True Parents' Birthday and the 3rd Anniversary of Foundation Day, were full of grace even from the day before the main events (Heavenly Calendar 01.04, Solar 02.11). On the morning of the 11th, True Mother gave the following benediction at the 'Dedication Ceremony for the Flagship Store of Heaven G. Burger': "This location will be Your holy ground that fulfills Your dream. This place we offer you today is the yolk amidst this Chung Pyung estate and through the exemplary life that True Parents have shown us, all the visiting members will unite with Heavenly Parent and True Parents so as to start our first steps towards establishing the ideal of Heaven on earth in the near future."

In the afternoon of the same day, the 'Enshrinement Service of the portrait of our Hyo Jin Nim 'the lord who will open the gates to loyalty and filial piety in the garden that opens the way to the deep, wide and lofty realms of heaven (深天開放苑 忠孝開門主)' took place in Jeong Shim Won with Sun Jin Moon and Pak In-sup, International President and Vice-president of FFWPU - International; Yeon Ah Moon, International President of WFWPU; Hoon Sook Moon, General Director of Universal Ballet; and Kyeong seuk Lu, President of FFWPU - Korea. The enshrinement of Hyo Jin Nim's portrait took place under True Mother's order 'to draw Hyo Jin's portrait of when he was in his thirties because in the spirit world he carries his young face.' In addition, last year on August 26, 2015 True Mother said the following at the Cheon Jeong Gung Museum: 'Hyo Jin is standing in the position of the restored elder son. He established the victory of unity between Cain and Abel and walked the path of a filial son and loyal citizen. He is an exemplary model to all Unification members from around the world. Therefore we must enshrine him in Jeong Shim Won.' According to this order, Hyo Jin Nim's picture was temporarily moved to Jeong Shim Won on August 27, 2015 and its portrait officially changed the day before the Special Great Work.

The Great Work which began with such amazing grace even before the main events officially began with 'International President Sun Jin Moon Special Assembly' and was followed by the 'True Parents of Heaven, Earth and Humankind Birthday Eve Special Assembly.' On the second day, the 'True Parents of Heaven, Earth and Humankind Birthday Celebration' took place at the Cheongshim Peace World Center. During the Great Works period, the special separation of evil spirits that automatically takes place under the direct dominion of True Parents in the spirit world as well as on earth took place 3 times a day, a total of 9 sessions within 3=days. Moreover, the Special Great Works period was filled with different grace-filled events such as the Fulfillment of Wish Paper Prayer; additional 1st to 210th ancestor liberation as well as 211th to 287th ancestor liberation ceremony; 1st to 210th ancestor blessing ceremony; pilgrimage to the Cheon Jeong Gung Museum, Holy Ground Pilgrimage for the Inheritance of Heavenly Fortune - all of which allowed for the inheritance of Heavenly Grace and Fortune. More importantly, True Mother bestowed upon us the grace of the special Heaven G Burger through which all the participants could experience the substantial love of Mother. Special pumpkin toffees, reminding us of traditional Korean homes, were also distributed. To such great and endless grace, the members from all over the world successfully inherited True Parents' shimjeong here in Chung Pyung - the womb of the world; and spent those precious moments reaffirming the victory of Heavenly Tribal Messiahship as well as the success of Vision 2020.

Chung Pyung Heaven and Earth Training Center will do its best so as to provide refuge to all visiting members. We sincerely pray that abundant blessings and heavenly fortune from our Heavenly Parent and True Parents of Heaven, Earth and Humankind fill you and your family. Thank you once again.
